

MESSAGE THROUGH THE CHANNEL OF REV. “REIKI” RHONDA FOR SLF FROM THE ANGELIC REALM RECEIVED ON SUNDAY 6/14/26

“Siblings of the Sacred Light Fellowship, way showers of light and freedom. Today we look to the acknowledgement of your progress and expansion into your spiritual growth as your badge of honor. Earned through dedication, determination and desire. These gatherings help strengthen your desire for your commitment to yourself and each other. Your rewards continue to be many blessings disguised as truth, the truth and *your* truth.

Pick one and discover your perception of your life as you experience it through your eyes and others. Acknowledge and respect the difference as you learn more patience and self-love. The ego hides in the shadows of your distorted reality and sometimes appears as your truth, not the truth in real time. Ponder all that has been given and continue to monitor your growth always, and in all ways. Acknowledgement is the key”.
