0581 CR 241

New Castle CO 81647

(970) 984-2240

Elk Creek Campground is located 2.5 miles from I-70 at the New Castle exit.

Guests take a right hand turn off the exit ramp and proceed to the first intersection, Highway 6/24, and turn left. Stay on 6/24 as it meanders through historic old New Castle and becomes Main Street. At the West end of town you will see our sign on the right hand side at North 7th Street. Turn here and follow the road around a couple turns. Stay on this road, signs will now call it Midland Avenue. Castle Valley Boulevard veers off to the right...our guests want to stay to the *left* and proceed around the horse pastures, onto what becomes Buford Road. From the Buford road follow our signs and look for County Road 241, which will be a right hand turn that brings you directly to the campground!
