PARENT POLICY HANDBOOK

Welcome to Christian Family Daycare, also known as TRE's Safe Haven and throughout this document will be referred to as "TRE's Safe Haven." The name has a special meaning **TRE** stand for **Teaching, Reaching** and **Educating** while providing a safe home-like environment. The facility is named after my belated brother "Treveon" who left the world too soon. While this space becomes a second home for your child, my commitment is to create a safe, secure, nurturing, and home like environment that fosters children's physical, intellectual, emotional, and social development. I encourage you to review the policies of our Daycare for a comprehensive understanding. Your child, well-being and growth are our top priority, and I look forward to partnering with you on this journey.

Family Child Care License: In order to provide childcare, I have met all requirements according to the state of California rules and regulation.

Daycare forms/fees: All forms must be completed prior to the first day of care. All weekly fees must be paid prior to the start of care in any given week. If forms are not completed or fees are not paid, No care will be provided.

Non-Discrimination: I will not discriminate in relations to admissions of any child based on race, creed, color, national origin, religion, sex, or disability.

House rules: The children will be taught by example here to have respect for themselves and others. They will also be taught to respect my home, property and possessions. Any negative behavior will not be allowed. This includes but not limited to hitting, punching, kicking, biting or jumping on furniture, throwing anything, or use of bad language, etc...

Child to teacher ratio: I maintain a low child to teacher ratio to ensure personalized attention and quality care for each child. My ratio typically adheres to state regulations and/or personal preference. This allows me to affectively supervise and engage with children fostering their development and safety.

Safety: I prioritize the safety and well-being of all children in my care. I maintain a safe environment by regularly conducting safety checks, implementing safety protocols and addressing any hazards promptly.

Communication: Open transparent communication between parents/guardians and myself is essential. I provide regular updates on children's activities milestones and any concerns that arise likewise I encourage parents/guardians to communicate any relevant information or concerns with me.

Confidentiality: I respect the privacy and confidentiality of all families any personal information shared with me remains confidential, and I will only share with authorize individuals as this serve for the child wellbeing or as required by law.

Respect and inclusivity: I promote an environment of respect, inclusivity and acceptance. I celebrate diversity and ensure that all children feel valued, respected and included, regardless of race, ethnicity, religion or ability.

PARENT POLICY HANDBOOK

PARENT POLICY HANDBOOK

TRE'S SAFE HAVEN OPERATING HOURS: The TRE'S SAFE HAVEN usually operates [Monday to Friday from 6:30 AM to 6:00 PM]. Drop-off and pick-up times can be flexible and tailored to accommodate your schedule upon prior arrangement.

CHANGE OF ADDRESS OR OTHER DETAILS: Please notify me as soon as possible in writing or via TRESSAFEHAVEN@GMAIL.COM about any changes in your address, 951-245-8849 emergency contacts, or any other essential contact information. Provide the updated information along with the effective date of the change.

You may notify me of any changes in information either by emailing TRESSAFEHAVEN@GMAIL.COM, requesting a form to fill in, or by handing in a written notice during drop-off or pick-up times.

MANDATED REPORTING: As a licensed childcare provider, I am a mandated reporter. All providers must report suspected physical abuse, sexual abuse, or neglect of a child to the agency or police as required by CALIFORNIA Statutes. This is simply listed to make you aware. In the event you have concerns about my care, you may contact

DISCIPLINE: I will strive to offer praise for good behavior. Should negative behavior happen, I will deal with it in one of three ways.

- **Redirection:** Toddlers will simply be told "no" and redirected to another activity or area.
- **Talking:** Once a child reaches the age of two, they can be talked to. They will be told in easy-to-understand terms why the behavior should not continue. Typically, this is highly effective.
- **Time-out:** Should the behavior continue, the child will be placed in a time out chair. I use the one minute per age of the child rule (a three-year-old gets three minutes). Should a behavior continue after a few time outs, I will talk to the parent. A workable solution can almost always be found.

SAFETY: Your child's safety is paramount. [All lower cabinets (kitchen and bathroom) have safety locks. Upper cabinets that could pose a problem (i.e. medicine cabinet) are also locked. All electrical outlets have child-proof safety covers. I have smoke detectors and carbon monoxide detectors on each floor, and a fire extinguisher in the kitchen. The door at the bottom of the stairs is sturdy and childproof. Emergency numbers are posted next to the phone. I also have two first aid kits, several flashlights/lanterns, and a portable battery-operated radio. Earthquake and fire drills are practiced monthly and logged. Toys, play areas, and facilities are regularly sanitized.]

I have taken classes in [Infant/Child CPR and First Aid, Child car restraint safety, SIDS prevention (Back to Sleep Program), and a class to help reduce the risk of Shaken Baby Syndrome].

DAMAGES: Parents are responsible for any damages caused by their child to the property or materials within TRE'S SAFE HAVEN. If your child inadvertently causes any damage, I will promptly inform you of the incident. Depending on the nature and extent of the damage, repair or replacement costs will be determined. Reasonable efforts will be made to assess the actual cost of repair or replacement.

PARENT POLICY HANDBOOK

Details of any damages, including photographs if applicable, will be documented and shared with parents for transparency and clarity.

I view such incidents as teachable moments. We will discuss preventive measures and ways to avoid similar incidents in the future to ensure the safety and well-being of all children.

DROP OFF/ PICK UP CHILDREN: Please arrive on time. If you will be late for drop-off/pick-up, let me know as soon as possible, so I may adjust my schedule if need be. All children over the age of 12 months are expected to arrive fully dressed and ready for the day. Do not bring your child in pajamas.

At drop-off time, make sure that you say goodbye to your child(ren) and let them know when you will be returning. Although this may produce tears, rest assured that by the time you are out of the driveway, the tears have stopped. This also helps to make the child feel secure in that while you may leave them when you have to, you are coming back.

At the moment you walk in to pick up, you are in charge of your child(ren). Sometimes children will "test" to see who is really in charge. A child who has been well behaved all day will suddenly bounce all over the house when a parent arrives. The respect that you show me, my home, and my possessions will speak the volumes to your child.

When you drop-off or pick up, do not linger. Ten minutes is typically more than sufficient. During day care hours, I have a job to do. If you need to talk to me, I am available after hours.

SIGN-IN & SIGN-OUT PROCEDURES: For the safety and security of all children, I require parents or authorized guardians to sign in and sign out their child every day upon arrival and departure. Please provide your full signature and the time of arrival and departure on our sign-in and sign-out sheet located at the entrance. This helps me keep accurate records of attendance and ensures that only authorized individuals pick up your child.

AUTHORIZED & UNAUTHORIZED PERSONS: To maintain the safety and security of all children under my care, only individuals listed on the child's authorized pickup list or emergency contacts are permitted to collect them from the

TRE'S SAFE HAVEN premises. If someone arrives who is not authorized, I will request identification and verify their relationship with the child before allowing them to pick up. If I'm unable to verify their identity or authorization, I will not release the child until I have contacted the parent or guardian for confirmation.

This policy ensures that only trusted individuals are permitted access to the children in our care, reducing the risk of unauthorized pickup or potential safety concerns.

PARENT POLICY HANDBOOK

ADDITIONAL FEES: TRE'S SAFE HAVEN has regular hours. Notify me as soon as possible if you will be arriving early/late. Early/late, meaning any time before/after your regular scheduled hours. A late fee of \$10.00 for every 1 minutes will apply. These fees are expected to be paid immediately.

TERMINATION: I require a two-week written notice if you are terminating childcare. If none is given, two weeks' additional payment must be made, whether or not your child is present. If I find I can no longer provide care for your children, I will give you at least a two-week notice.

Trial Period: I offer a trial period for families considering enrolling their child in my TRE'S SAFE HAVEN program. During this time, you and your child can experience my environment and routines firsthand to ensure it aligns with your expectations and needs.

During the trial period, I offer special pricing (talk to me) for one week trial.

During the trial period you'll have the opportunity to assess my facilities, staff interactions, and overall atmosphere. At the end of the trial period, we'll discuss whether my TRE'S SAFE HAVEN is the right fit for your child and family.

If you decide to continue, we'll proceed with enrollment procedures. However, if you determine that my TRE'S SAFE HAVEN isn't suitable, there is no obligation to continue, and we'll part ways amicably. My aim is to provide a comfortable and supportive transition for your child into my TRE'S SAFE HAVEN environment.

OUTDOOR PLAY: I maintain a safe and engaging outdoor play area equipped with age-appropriate equipment. Weather permitting, children will have daily access to outdoor play and will be supervised. The outdoor play area is regularly inspected and maintained for your child's safety.

CLOTHING: Do not send your child to TRE'S SAFE HAVEN in "dress clothes". Play clothes only. Although I try my best to keep the children clean, even in the best of circumstances accidents happen. Make sure your child has a complete change of clothing here at all times, including underwear and socks. Please provide a different change of clothes should the one here be used or if the season changes.

Please provide a summer-type jacket to be left here. Please do not buy a new jacket for this purpose. A hand-me-down from an older sibling or a thrift store find is good enough. Occasionally in the warmer months, a child will come without a coat, due to the warmer temperature in the morning. Should the day turn chillier, he/she will still be able to play outside in comfort.

Do not bring your child in sandals or flip-flops. Only shoes that cover the entire foot should be worn.

During the summer months, I will on occasion make use of a wading pool, sprinkler, or water toys. You will be notified in advance. Please provide a swimsuit or swim diaper and sunscreen if you wish for your child to participate.

PARENT POLICY HANDBOOK

During the winter months, make sure your child has the appropriate clothing. This includes a jacket. If your child does not have the appropriate clothing, he/she will not be able to play outside.

SLEEPING: Each child will be provided with a safe comfortable sleeping space with separate bedding. Infants will sleep in porta cribs with waterproof mattresses or pads. [I will sleep infants on their backs according to the recommended guidelines from the American Academy of Pediatrics for SIDS]. If your baby needs to sleep on their stomach or in an unauthorized sleeping arrangement, you must obtain a written Statement from a doctor.

DAILY HEALTH CHECK: I conduct a daily health check of each child upon arrival to ensure the well-being of all children in my care. This includes checking for signs of illness such as fever, coughing, runny nose, or any other symptoms of illness. If a child displays any symptoms of illness, I will notify the parent or guardian immediately and discuss whether the child should remain at the TRE'S SAFE HAVEN or be picked up for further care.

LEAD POISONING PREVENTION: Preventing lead exposure is crucial for the health and well-being of children. As part of my commitment to providing a safe environment for the children in my care, I take proactive measures to prevent lead poisoning, including:

Regular inspections for any potential sources of lead, including peeling paint, dust, and soil contamination. Handwashing, especially before meals and after playing outdoors, to remove any lead dust or particles that may have been encountered.

I ensure that the drinking water in my TRE'S SAFE HAVEN facility is safe by regularly testing for lead and following recommended guidelines for lead in drinking water.

MOBILE PHONES & SMART DEVICES: To maintain a focused and safe environment, children are not permitted to bring mobile phones, smart devices, handheld consoles, or other similar items with them to TRE'S SAFE HAVEN. This policy applies to all children enrolled in our program, regardless of age.

PARENTS IN TRE'S SAFE HAVEN: You have the right to stop in anytime during your child's regular TRE'S SAFE HAVEN hours. You do not need a reason. You are welcome to pop in any time.

You may also speak to your child at any time by calling [951-245-8849].

QUIET TIME: Every day between [1:00-3:00], we have quiet time. All younger children will lay down to rest. Older children will be given quiet time activities (coloring supplies, puzzles, movies, etc.). I ask that you keep visits and phone calls during this time to a minimum.

Items from home: Your child may bring a special blanket or stuffed animal for quiet time. Please do not allow your child to bring anything else into the TRE'S SAFE HAVEN setting. No toys, candy, snacks, money, etc.

PARENT POLICY HANDBOOK

If you will be arriving later than [8:00am], please see that your child(ren) has eaten breakfast prior to arriving. There will be a snack served at [10:00 am], lunch at [12:00 pm], and another snack at the end of quiet time.

No supper will be served to TRE'S SAFE HAVEN children unless we have a prearranged agreement. If any food or bottles are brought from home, they must be clearly labeled with the child's name.

FOOD ALLERGY: Parents/guardians are required to inform me of any food allergies or dietary restrictions their child may have. This includes allergies to common allergens such as peanuts, tree nuts, milk, eggs, soy, wheat, fish, and shellfish, as well as any other specific allergies or dietary needs.

Upon receiving information about a child's food allergy, I work with the parents/guardians to develop an individualized allergy management plan. This plan outlines specific foods to avoid, symptoms of an allergic reaction, emergency contact information, and steps to take in case of an allergic reaction.

I communicate with parents/guardians and any staff members to ensure everyone is aware of any food allergies present in the TRE'S SAFE HAVEN environment. This includes providing information on safe food practices, reading ingredient labels, and avoiding cross-contamination.

EMERGENCIES: In the event of an emergency, the safety and well-being of the children in my care are my top priority. I have established emergency procedures to ensure a swift and effective response to any situation that may arise.

A complete copy of the Emergency Action Plan is available on request.

FIRST AID KIT: I maintain a well-stocked first aid kit in a designated location that is easily accessible to myself and any staff members at all times. The first aid kit is stored in a secure and central area, known to all staff members.

EMERGENCY RELOCATION PROCEDURE: In the event of an emergency requiring relocation from the TRE'S SAFE HAVEN facility, children will be safely evacuated to the designated assembly point. Parents/guardians will be promptly notified of the relocation and provided with instructions for reunification. Detailed procedures are outlined in the Emergency Action Plan for further guidance.

EMERGENCY DRILLS: I schedule regular emergency drills throughout the year. These drills are conducted at different times of the day and under varying circumstances to simulate real-life emergencies as closely as possible. The drills aim to cover fires, earthquakes, severe weather, medical emergencies, and other situations.

PARENT POLICY HANDBOOK
