### CULVERT & GAZEBO REPAIRS

**JUNE 10<sup>th</sup>, 6:30pm** 

https://zoom.us/j/95217602092?pwd=J1oD5jL2a30tJEoGUA 9Kj42W8JiYw6.1

+1 305 224 1968

Meeting ID: 952 1760 2092

**Passcode: 757707** 

#### **AGENDA**

- 1. Role Call of the Board
- 2. Discuss Culvert Repair
  - -Contractor selection
  - -Costs
- 3. Discuss Gazebo Repairs
  - -Contractor Selection
  - -Costs
- 4. Discuss Payment Options
- 5. Board Vote

- The Culvert has not worked properly for 20+ years.
- Why do we need to fix it:
  - Potential to flood during a storm surge
  - Salinity In the Pond and the maintenance/costs associated with Pond Pumps
  - The HOA is liable
- The County while responsive is non-committal.

#### **Sykes Cove Culvert**

## **Underground Utility & Excavation**

JBEA can oversee and manage the installation, repair, and maintenance of underground utility systems, encompassing water, sewer, gas, and telecommunications. This also extends to excavation work, including site preparation, trenching, and grading.

https://www.jbearth-aquatics.com/

Scope of Work

Remove, Repair and replace the 36" RCP in pond 1

- \*\*Repair one
- Remove existing broken storm box and skimmer along with damaged pipe, install new type D inlet with skimmer, regrade swale slopes to correct shape, export all materials removed, sod workspace along slopes and structure with flora tam
- \*\* Repair two
- Remove existing headwall, remove approx. 16' existing pipe and install a DOT miter end and correct slopes on pond, removing offsite all excavated materials

Total

\$20,550.00

#### Gazebo Repairs

- All the top boards need replacing.
- Some wood might need to be replaced underneath for structural support.

Services

Painting. New stringers or Cross ties. IF the gazebo area needs new stringers we can estimate separately. New Post. (IF post new post are needed we can estimate separately noting, setting in "typical" sand bottom. IF the lake shore, canal bottom is filled with shoreline rocks, boulders, Tree roots, labor will need to adjusted and estimated separately.

**DOCK BUILD** TOTAL INCLUDED ALL

\$17,500.00

\$17,500.00

\$17,500.00

Let's talk about our Financials.

- The 2025 Budget \$113K
- \$550 annual fee (no increase from 2024).

#### Where have we saved \$\$

- No full-service Property Mgt Co.
- Extra costs with Property Mgt. Co. (mailings, violations, etc.)
- Lawn Maintenance

#### Where we can save more...

- Legal We will not consolidate docs but still have funds for proposed votes.
- Trees & Mulch Added new Mulch last year, trees still have budget.
- Pressure Cleaning
- Improvements

| Total Commom Ground                    | 42,450.00 |        |

#### If needed, the reserves are healthy due to build up last year.

| Current Reserve Balances:       |                 |
|---------------------------------|-----------------|
| Catastrophic Fund               | \$29,358.13     |
| Deferred Maintenance            | \$<br>6,910.94  |
| Front Entrance Signage & Camera | \$<br>9,179.27  |
| Improved Security Lighting      | \$<br>1,771.08  |
| Playground Repairs/Replacements | \$<br>1,584.00  |
| Ponds                           | \$<br>3,000.00  |
| Gazebo Refurbishment            | \$<br>3,357.53  |
| Total Reserves                  | \$<br>55,160.95 |

#### **2025 - \$10,500 Planned**

- +\$3K Deferred Maint.
- +\$3K Gazebo
  - +\$1K Playground
  - \$3500K Ponds

#### **Proposed Plan**

- 1. Approve Culvert Repair utilizing savings.
  - The board <u>reserves the right to access</u> the community with a special assessment <u>should the costs exceed savings</u>.
- 1. Upon Completion of Culvert Repair, access Projected vs. Actual costs.
- 2. If Culvert costs were as projected, begin Plan B Gazebo Repair.
- 3. If additional costs were incurred, re-evaluate funds for Gazebo repair.
  - If funds can be found within budget (within reason), continue
    Plan B.
  - If funds are limited, but remaining and reserves can cover Plan A, begin Plan A.
  - If there are no funds, continue Board Discussion.
