2021 Student Handbook

314 Goff Mountain Rd. Suite 2 Cross Lanes, WV 25313

Welcome

We are proud to be home to many different types of students --- day, evening, recent high school graduates, not-so-recent high school graduates and new arrivals to our country. We meet the needs of this diverse group by offering a variety of courses, programs and career services.

Most of all, we are glad that you have chosen our academy to help you realize your personal, professional, and educational goals. Every member of our team - administrators, instructors, and staff - will strive to ensure your success.

One of the tools we provide is this student handbook. It is an important resource, so be sure to keep it somewhere handy. Take a few minutes to look through this guide and learn how you can get the most out of your education. A one-stop instruction manual for life at The Palm Beauty Academy, the handbook covers a range of material including attendance, instructor responsibilities, academic standards and services available.

Of course, this publication does not answer all questions. Be sure to ask our staff or instructors if an issue arises that this handbook does not address. They will promptly get you an answer.

We look forward to helping you achieve your educational and career goals.

NON-DISCRIMINATION POLICY

The School does not discriminate on the basis of age, race, color, creed, sex, sexual orientation, religion, financial status, disability, or ethnic origin in its admission, instruction, graduation policies, or in employment of students in any program or activity offered by the School.

OUR MISSION at The Palm Beauty Academy is to provide students with a comprehensive education, while preparing students for real life situations. We commit that each student will graduate with the knowledge to provide outstanding hairstyling, nails, and aesthetician services to their clients in addition to passing the State and National exams.

Proverbs 16:16 (KJV) How much better is it to get wisdom than gold and to get understanding rather to be chosen than silver!

Having wisdom and understanding is better than having silver or gold. Nice and expensive items can be enjoyable, but there are very few things in life that can never be taken away, will never go out of style, and that truly make you a better person. An education is one of those things.

ATTENDANCE

In order to help you prepare for your career in the salon industry, The Palm Beauty Academy will operate in a professional salon environment. Tardiness, absences and any other interruptions in training will have a significant impact on student achievement and success. If a student has a medical condition that prevents him/her from performing services or could potentially cause harm to oneself or another, a medical clearance to return to school from a doctor will be required to actively participate in hands-on activities and perform services. The student may observe and receive course instruction during this time.

By law, The Palm Beauty Academy must keep track of the training hours for each student preparing for his/her license. All students are expected to be in attendance for the time periods specified in their signed enrollment agreement. Our training is similar to an actual salon, day spa, or any other professional employment opportunity, where absences and tardiness interfere with daily work efficiency and overall employee record.

- Any student absent during the first week of a new class start may be moved back to the next class start.
- Any cosmetology program student missing more than 24 hours during basic training may be withdrawn and may be considered for re-enrollment at the next class start date.
- Students are expected to notify the school of any absence or tardiness at least 30 minutes prior to their scheduled start time.
- Students late for clinic or theory may clock in at the time they arrive.
- If a student that has an absence/tardiness has clients booked during the absence, the instructors or staff may move those clients to other students.
- Any students that do not notify the school of their absence/tardiness will be counseled and proper documentation will be completed.
- Any student who has 14 consecutive calendar days of absences will be administratively withdrawn from school (see Cancellation and Refund Policy in the school catalog).
- Any student who is present for 5.5 hours or more in a day is required to take a 30-minute lunch break.
- Any student who attends class is eligible for a 15-minute break.
- Any student who is present for less than 5.5 hours in a day is eligible for one 15-minute break.

All students scheduled on the clinic floor are required to sign out for breaks on the appropriate Student Break Sheet and must also notify their clinic instructor. All students must be present for at least two

The Palm Beauty Academy

hours before clocking out for a lunch break and must be present for at least one hour before taking a 15-minute break. Disciplinary action is at the discretion of the director.

The minimum acceptable level of attendance is, at least, eighty percent (80%) of their contracted time. The Academy and the State Board monitor monthly attendance. A student whose absences exceed twenty percent (20%) is subject to dismissal from The Palm Beauty Academy. For the purposes of determining the level of attendance, only the days contracted are counted.

Unexcused time includes, but is not limited to, extended lunch, tardiness and absences without documentation.

Valid reasons for absences include:

- A court appearance
- Medical excuse for the student, or dependent
- A death in the immediate family.
- Any other excuse that has been pre-authorized or approved with the office.

When a student is aware in advance that an absence is necessary, he or she must inform office staff.

Please note: Failure to contact the school may result in non-acceptance of documentation for an otherwise excused absence. Documentation of excused absences will be filed in the student's permanent record. Such documentation is required within seven (7) days from the student's date of return to class. Unexcused absences may result in disciplinary action and may lead to expulsion.

Attendance Tracking System

A Biometric thumbprint time keeping system is the modality used for attendance recording for all students. Students will be fingerprinted on their first day at The Palm Beauty Academy. The Student will then use this fingerprint as identification to clock in and out with our biometric time clock. This biometric clock ensures that students cannot clock in or out for each other, and that all student hours reported have been completed by the student.

Students should arrive at the school allowing enough time to put away belongings, jackets, purses, etc. before class begins.

All Programs

The West Virginia State Board of Barbers & Cosmetology requires that all student hours are recorded, on a daily and monthly basis, and accurately identifies actual attendance hours and lunch breaks. The Biometric thumbprint time keeping system retains the student attendance records.

Students are required by The West Virginia State Board of Barbers & Cosmetology to maintain a daily record of hours and nature of training, designating theory or practical experience. The record must be confirmed by the instructor who supervised the training and confirmed by the student. A summary of hours for the month must be maintained for each student and signed by the designated school manager.

Attendance records and time sheets are the property of the school and may not be removed from school premises. If the monthly record is removed from the school or is not legible it is considered invalid.

In order to receive credit for their hours, all students are responsible for clocking or punching in, at or before, the beginning of their shifts, out/in for lunch breaks, and out at the end of their shift to receive full credit for their scheduled and attended hours.

The lunch break time is at the discretion of the instructors, according to each student's schedule.

The Palm Beauty Academy

Lunches and breaks may need to be taken before your client is scheduled to arrive or once the service has ended. Coming back late from breaks or lunches is strictly prohibited.

Students are not permitted to leave the premises while they are clocked/signed in. Any violation could be deemed as falsification of school records and can lead to expulsion of the student.

Make-Up Hours

West Virginia law prohibits a student from attending school for more than eight hours in one day. Students are required to complete a request and prior approval in order to put in extra hours outside of their scheduled hours. Approval will be based on the following: space availability and appropriate student-to-teacher ratios.

All missed or failed exams due to absence or tardiness must be made up within a two-week period. Incomplete work not submitted within this time-frame will result in a failing grade on that assignment.

A failed exam may be retaken once and the highest score that can be achieved on a retake is 75 percent.

It is the student responsibility to make arrangements with their instructor to make up any missed assignments or test during an absence. This makeup time is at the discretion of the instructor and depends on the instructor's availability.

Certificates of Perfect Attendance

We recognize the hard work and dedication of students who maintain perfect attendance while they are enrolled. A student who earns perfect attendance throughout their entire program will be recognized at graduation.

Change Of Address

All address and telephone number changes must be reported to the office.

Children

Children of students are welcome to the school if they are here for appointments on the clinic floor. If the child is here while the student is clocked in, the child will need to be accompanied by another adult. This is an educational environment where children might be in harm's way and may alter the focus of the student's education.

Clinic Floor

All services performed on the clinic floor (on a client, staff member, fellow student, etc.) are required by state regulations to have a consultation by an instructor before the service, checked during the service, and upon completion of the service before the client leaves the clinic area. As this is regulated by the State of West Virginia students failing to have services checked will receive a written violation.

- All services or work performed by a student must be supervised and evaluated by an instructor within the educational process.
- Students who are assigned to the clinic floor and are not performing on clients are required to work on quotas or other assigned projects.
- Cosmetology & Esthetician: A student is to stay with or near the client during a chemical service. If an emergency occurs and you need to leave your client, notify your clinic floor instructor immediately so another student may be assigned to take over the client and continue with the service in progress.

The Palm Beauty Academy

- Students are not to discuss politics, sex, and other controversial topics as well as school policy with clients or fellow students while on campus. These sensitive subjects are not considered professional work environment topics.
- If students need assistance, they are to ask an instructor.
- Students are asked to seek the help of the receptionist or an instructor if having difficulty with clients. Students are not allowed to turn a client away.
- Students on the clinic floor will have the opportunity to work on a variety of different hair, skin, body and nail types. Students are encouraged to use this opportunity to enhance their skills and customer service level by accepting all clients assigned to them. Students who refuse a client or assigned service may be required to clock out for the day.
- Students on the clinic floor are striving to perfect the quality of their performance and improve the time it takes to complete the service. A student falling behind on the timing of performing a service must notify the instructor. Adjustments by the instructor may be made to ensure efficient service delivery for the benefit of the client. Any student challenged with efficient service delivery is expected to improve this skill to better prepare for certification and employment.
- All kit items not in use are to be stored inside the students' locker/clinic floor station or taken home. Any equipment left out at the end of the day/evening will be deposited in the lost and found.
- The lobby is used for receiving clients who have appointments for services. Students are asked to stay on the clinic floor until the front desk notifies them of a client arrival. At that time, the student may enter the lobby area to greet and guide the client to the clinic floor.

Closing

In the event of a closing due to weather or other emergency, an announcement will be made on our Facebook page. All other scheduled closings (in-services and holidays) are located in the calendar section of the school catalog. If the school is closed due to bad weather, the day will be added to the student's contractual end date if the student was scheduled to be in school that day. All adjustments will be made at one time at the end of the student's program.

Conduct

The beauty industry demands professional behavior at all times. The Palm Beauty Academy follows good business practice by requiring all students to show respect for one another and for our employees. In the classroom, students are expected to conduct themselves in a manner that is respectful of the instructor and fellow classmates. Examples of disrespectful behavior include talking while the instructor is teaching, tardiness, answering cell phone calls, sending text messages during class, leaving class early, or using verbal, written or e-mail communication that is slanderous, harassing, threatening, or of an inappropriate nature regarding other students, faculty, administration or staff of the school. Failure to behave in a mature, professional manner will result in a conference with the school manager/owners. Continued disruptive behavior may lead to dismissal.

Dress Code

As part of your education, The Palm Beauty Academy recognizes appearance standards as an important element of preparation for salon life. Portions of this dress code are used by a vast number of salons.

For more information about program-specific student dress code requirements, see table below:

- Cosmetologist: Purple Scrubs
- Hair Stylists: Purple Scrubs
- Manicuring: Black Scrubs
- Aesthetics: White Scrubs

The Palm Beauty Academy

*Aprons must be worn when giving a chemical service.

*Winter: long-sleeve white or black crew neck shirt under scrub top is an option. Hoodies and prints will not be allowed.

Eating And Drinking

Students are only allowed to have water on the clinic floor as long as it is in a covered container. No other beverages, food or gum is allowed. Breath mints are allowed and encouraged when working in close range with clients.

Email

The Palm Beauty Academy will send important information and official communication to the students via email. Therefore, students must check their student email often. The student is responsible for knowing school information distributed via email.

Emergency Information

The Palm Beauty Academy follows the emergency guidelines in situations such as severe weather, fire, or intruder. **There are two basic rules to follow:** (1) remain calm and (2) walk, don't run.

If weather looks threatening, a radio should be kept on for the latest weather information. If a tornado warning is issued, take cover immediately. Instructors and staff members will be present to assist students while they wait in a secure location. Sit with your knees drawn to your chest, rest your head on your knees, and cover your head with your arms. If the fire alarm sounds, the building should be evacuated immediately and once outside keep moving away from the building. Stay with your group; this makes it easier to account for everyone. Students will be advised when it is safe to re-enter the building. Refer to posted floor plans and procedures for evacuation.

Felony Disclosure

The Palm Beauty Academy is committed to the security and safety of our faculty and students. To safeguard the well-being of the school, applicants convicted of a predatory offense or offenders required by the courts to register are prohibited from admission to The Palm Beauty Academy. This includes entering upon the property, using our facility or attending any school events.

If warranted by the particular facts, we may modify any aspect of this protocol. A prospective student in a health science field who has been found guilty of a felony or anyone who has plead guilty to a felony, may not be eligible to take certification examinations and may not be employable. This rule also applies to a list of misdemeanor convictions as determined by each state. Certifying boards and employing agencies may occasionally grant waivers to applicants. Moreover, different states have different laws regarding felonies and the impact on professional qualifications. Specifically, felony convictions, multiple convictions for similar offense, theft convictions, and individuals still on probation, parole, or conditional/supervised release will provide the most restrictions on employment opportunities.

Financial Aid/Student Accounts

Financial aid is not available at this time. Students may take advantage of our monthly payment plan. If the student so desires, he or she may make a down payment, which includes the application fee, equipment (kit) and books, uniform fee, permit/exam/licensing fees, and the first month's tuition. The balance of the tuition is paid in monthly payments for the remainder months of the course. Payments may be made by cash, check, money order or credit card. Student resources for financing include: direct bank loan, scholarship from church or other entity, credit cards or in house monthly payments. \$25 late fee will be applied after 7-day grace period for payments. \$50 NSF fee will be charged for any returned checks by the bank for non-sufficient funds.

Teaching And Learning Methods:

The clock hour education is provided through a sequential set of learning steps which address specific tasks necessary for state board preparation, graduation and job entry level skills. Clinic equipment, implements, and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative, and productive career oriented activities. The course is presented through comprehensive lesson plans which reflect effective educational methods. Subjects are presented by means of interactive lecture, demonstration, cooperative learning, labs, student salon activities, and student participation. Audio-visual aids, guest speakers, field trips, projects, activities, and other related learning methods are used in the course.

Grading Procedures:

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated.

Comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

90% -100%	A	Excellent
80% - 89%	B	Very Good
70%- 79%	C	Satisfactory
60%-69%	D	Unsatisfactory
Incomplete	I	No grade given

Grade Appeals:

Any individual student may appeal any grade given in an individual subject. If the student is under age 18, the parents or guardian may accompany the student at the instructor's discretion. The procedure for appeal of any grade is as follows:

- A student may appeal a grade within ten (10) days of receipt of an individual subject grade. If an appeal is not submitted within ten (10) days, the decision is not reversible.
- The first appeal shall be upon verbal notice to the instructor by the student. The instructor shall review the grade with the student, documenting the review with the student, setting forth aspects considered in the resulting grade given to the student for the individual subject.
- If the grade dispute is not settled between the student and instructor, then the student may appeal the instructors' decision as follows:

The Palm Beauty Academy

1. Student must, within ten (10) days of review with the instructor, submit a written request to the Director to review the grade. The student must give the date of review of the grade with the instructor, the instructor's name, and the program in which the grade was received.
2. This procedure must be documented by the School Manager and returned to the instructor as an advisement of the outcome of the review by the School Manager. The School Manager reviews the comments made by the instructor in the conference with the student. This review is only a paper review and must include all of the factors considered by the instructor in assigning the individual student grade, as well as consideration given to the explanation provided to the student in the first appeal review.
3. After the hearing, the decision of the Director will be conveyed to the student within three (3) days. This decision is final. All decisions made will be put in writing and placed in the student's academic file.

Grievance Policy

It is important for each Student to be satisfied with the School's services. Part of achieving this satisfaction requires the quick and amicable resolution of any dispute between a Student and the School. The best way this can be accomplished is through informal discussion between the parties or by using the School's internal dispute resolution procedures. A student always has the right to contact the Council for Community and Technical College Education or The WV State Board of Barbers & Cosmetologists.

The Palm Beauty Academy has established the following policy and procedure to assist students with grievances:

1. A student is encouraged to make every effort to resolve a grievance directly with the staff member involved.
2. An appeal and/or grievance not resolved to the student's satisfaction at that level may be submitted in writing to the Director for resolution.
3. If resolution cannot be reached at this level, the student may submit an appeal to the school ownership:

Tammy Bolland, 304-881-5455, Amanda Cunningham, 304-543-2436, Jared Cunningham, 304-550-2323

The issue will be resolved promptly and equitably.

A complaint must be in writing, be signed by a student, and state how the school's policies and procedures were violated. Student complaints shall be limited to complaints that occurred within six years from the date the concern should have been discovered with reasonable effort and after the student has utilized the school's internal complaint process. Students do not have to utilize a school's internal complaint process before the office has authority when the student is alleging fraud or misrepresentation.

This requires cooperation between students and instructors. The key to this cooperation is for all parties to communicate with each other.

Program Re-Enrollment Procedures

Students who have previously attended the Palm Beauty Academy must reapply for admission. Any student having been terminated or dismissed by the Academy, or having voluntarily withdrawn, may apply for re-enrollment. The student will be subject to the same enrollment criteria of the School as if that student was applying for admission as a first-time applicant into the program and they would be returning at the same academic and attendance status in which they left.

If a student has been terminated or dismissed by The Palm Beauty Academy for offenses as outlined in this Handbook, re-enrollment of the student is also dependent upon the School's discretion about the student's rehabilitation of the grounds for termination or dismissal as the same would affect the re-enrolling student applicant to successfully complete the program of study for which the individual is reapplying for re-enrollment. Staff and Instructors will meet with the School Director to discuss and re-evaluate the circumstances of the dismissal or termination. During this meeting all aspects of the student file will be taken into consideration and a decision will be made as to whether or not the student can re-enroll. If the applicant was enrolled in another college during his or her absence, an academic transcript must be forwarded to the School. Such applicants will enroll under the current tuition fees and will be required to submit an application fee, together with his or her application.

Refund Policy-Notice Of Cancellation

For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure. - 4) A student notifies the institution of his/her withdrawal in writing.
- 5) A student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.

- 7) In type 2, 3, 4 or 5, official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the school administrator or owner in person.

25% TO 49.9%	70%
50% AND OVER	100%

All refunds will be calculated based on the student's last date of attendance. Any monies due a student who withdraws shall be refunded with 45 days of a determination that a student has withdrawn, whether official or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student OR provide course completion through a prearranged teach out agreement with another institution. If the course is canceled subsequent to a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course at a later time. If the course is cancelled after the student has enrolled and instruction has begun, the school shall provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school OR provide completion of the course OR participate in Teach-Out Agreement OR provide full refund of all monies paid. This refund policy applies to tuition and fees charged in the enrollment agreement. Job Placement Assistance

The Palm Beauty Academy provides job search assistance for its graduates. This service is handled on a local basis to place each graduate in a position proportionate with his or her skill development. The graduate is still responsible for seeking job openings, sending resumes, preparing for job interviews and, in general, does all those things customarily done to obtain employment. Graduates can generally expect a placement. However, the level of employment obtained and the likelihood of obtaining employment are heavily dependent upon the student's job search efforts and the record the student makes for him or herself while in school. The School will also place information regarding job openings on its Facebook page. The school's placement assistance should not be interpreted to be a guarantee of employment for the student upon graduation.

Policy On Student Access To Files

Students and parents and/or guardian of dependent minors have the right to request access to the individual student's files, review the student's educational record, ask for a review of the student's educational record, or ask for an amendment to the records. Tardiness: Students are expected to be in class according to their contract. All students are to arrive at the Institution no later than 9:00 a.m. Poor road conditions and bad weather will be taken into consideration for tardiness. If you are going to be late for any scheduled class, the student should notify The Palm Beauty Academy. Notifying a fellow student is unacceptable. Excessive tardiness may result in the student being written up on a Student Counseling Evaluation, which may lead to disciplinary action.

The Palm Beauty Academy

To be allowed to enter the school late you MUST:

1. Call in to the office
2. Be on the premises no later than 10:00 am, unless other arrangements have been made

Excused tardiness for Doctor's visits, car wrecks or road construction, Jury Duty, etc. will be dealt with on an individual basis- provided that you CALL into the office to make staff aware of your special circumstances. Failure to call in or if a student is more than fifteen (15) minutes late, they can be sent home immediately. As a courtesy to fellow students, staff, and customers please be on time for all classes. All programs receive one half-hour lunch break, unless otherwise instructed. Tardiness from lunch is considered unexcused.

Leave Of Absence

Any Student requesting a leave of absence from The Palm Beauty Academy must meet with the School Director to complete the necessary paper work. This request must be in writing using a LOA form in advance, specify the reasons for the leave and include the student's signature. The leave of absence request must also state the date the student will begin his/her leave, and the date the student will resume his/her training at The Palm Beauty Academy. All leaves of absence are subject to approval by the Director. The institution will grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances; the student must document the reason for the LOA at a later date. The beginning date of the approved LOA would be determined to be the first date the student was unable to attend classes. And there must be a reasonable expectation that the student will be able to return from the LOA. A student may be granted multiple leaves of absence with the total number of days not to exceed 180 days in and (12) twelve-month period. The twelve-month period begins the first day of the student's absence period. The institution will not assess any additional charges as a result of the LOA. Upon returning to school the student will be placed on the same academic and satisfactory progress status as when they began the leave. A leave of absence extends the student's contract period and maximum time frame by the number of days in the leave of absence. Any student absent from school of (14) fourteen consecutive days and not granted a leave of absence, will be dropped from the school enrollment. After 14 days any personal possessions or equipment left behind by the student will be disposed of, as the school deems necessary. A student granted a LOA and meets these criteria are not considered to have withdrawn, and no refund calculation is required at that time. This institution is required to take attendance, therefore the withdrawal date for the purpose of calculating a refund is always the student's last date of attendance. The institution will extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement will be noted on the LOA form; this form is signed and dated by student and the institution.

Family Educational Rights and Privacy Act of 1974 (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct record, which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.
