

CAROLINE OAKS NEWSLETTER

OCTOBER 2020

TRICK OR TREATING

The CDC has recommended AGAINST the traditional door-to-door trick-or-treating and large gatherings of individual events due to the COVID-19. Please see the below link for detailed information and recommendations from Fairfax County.

<https://www.fairfaxcounty.gov/health/novel-coronavirus>

I would recommend that for any Caroline Oaks resident that wants to participate in trick-or-treating this year, please keep your outdoor lights on and front door open on Halloween. For any resident at home that does NOT want to participate, please keep your house outdoor lights off (unless needed for safety) and the front door closed.

BOARD NOMINATIONS AND VOTING

This year there are 2 Board positions expiring at the end of this year, myself and Vernon Smith. Anyone interested in joining the Board for a 3 year term, please contact Len Gliatta. There will be no in-person Annual Meeting this year, but the meeting and voting will still take place. Details will be provided at a later date.

I will be stepping away from the Board for now. This will be my last newsletter. I have very much enjoyed sharing news and updates with everyone, as well as hearing from residents and owners about their concerns. Thank you.
