## DISCOVER BLUE SKIES PHOTOS

With over 20 years of experience in real estate marketing throughout the Hamptons and North Fork, we understand the nuances of capturing stunning properties with only the best images.

Our expertise ensures that your listings stand out with high-quality photos and floor plans that will attract potential buyers.

### HDR PHOTOS - \$175 FOR 25 IMAGES

Professional quality photos are essential in today's real estate market, and we will capture the best interior and exterior angles and views to showcase your listing and attract more buyers. Each order includes up to 25 edited images for \$175. Need more photos? Get 45 photos for \$225.

### DRONE STILLS - \$175 FOR 6 IMAGES

Experience the art of photography from the air. Capture the best views of your listing and showcase one of the most important real estate features - the location! Each order includes up to 6 edited images. Property lines included when appropriate.

### FLOOR PLANS - \$150

A floor plan is the best way for customers to understand the layout of a house and visualize living there. We produce full floor plans of the entire house, for one simple price.

### ALL 3 PACKAGE DEAL - \$400

Schedule all three services - drone photography, complete house photography with 25 photos and floor plans - and save! Package deal also available with 45 photos for \$450.
