DISCOVER BLUE SKIES PHOTOS

With over 20 years of experience in real estate marketing, we understand the nuances of capturing stunning properties with only the best images.

Our expertise ensures that your listings stand out with high-quality photos and floor plans that will attract potential buyers.

HDR PHOTOS - \$125 FOR 45 IMAGES

Professional quality photos are essential in today's real estate market, and we will capture the best interior and exterior angles and views to showcase your listing and attract more buyers. Each order includes up to 45 edited images for \$125.

DRONE STILLS - \$75 FOR UP TO 10 IMAGES

Experience the art of photography from the air and showcase the most important real estate feature - the location! Each order includes up to 10 edited images. Property lines included.

SILVER PACKAGE - \$175

Complete house photography, including indoor and outdoor HDR photography and drone photography.

FLOOR PLANS - \$100

A floor plan is the best way for customers to understand the layout of a house and visualize living there. We produce full floor plans of the entire house, for one simple price.

GOLD PACKAGE - \$225

Schedule all three services - drone photography, complete house photography and floor plans - and save!
