

**F.L.I.P. (Financial Literacy Initiative Program):**

F.L.I.P.'s financial literacy initiative consists primarily of a collaborative public education campaign focusing on three major financial areas; Consumer Credit, Budgeting, and Saving Strategies. Prior to public implementation of the program, Staff members from the various agencies will participate in a rigorous 20 hour training program. Agency staff members will be equipped with resources, technology, and a centralized referral base to ensure your clients are receiving sound financial information and opportunities. Following your clients can receive one/one "Cash Coaching." Are you ready to make a change in people's lives and communities?
