\$350.00 per person deposit due at time of booking. Prices are not guaranteed until deposit is paid. Final payment will be due on or before June 20, 2027. Transportation to and from Seattle is not included. Quilting packages are non-refundable.

This package will include classes taught by Quiltworx® Certified Instructor May Black; designated meeting space for our group only onboard the ship – and warm cookies every afternoon! This is a “UFO” quilting cruise. Bring any unfinished project that you want, and we will be there to help you finish it and check it off your “To-Do” list! It also includes use of one of our Brother sewing machines, ironing stations along with large cutting stations – our signature cruise mascot and our fabulous SWAG bag of goodies! You will also receive discount offers from the Alaska quilt shops in Juneau and Ketchikan. This is going to be an extraordinary opportunity to sew, create and make new friendships along the way and finish your unfinished projects! You won’t want to miss this!

“Life Happens” – That is why we have included Holland America’s Platinum Travel Protection Plan in this package. Your vacation should be memorable for all the “right” reasons.

*We hope you’ll join us on one of the best
quilting cruises ever!*
