ALL INCLUSIVE! This package includes the use of one of our Brother sewing machines and irons at each sewing station along with ironing and cutting stations around the room – and will also include a tote bag along a Deb Tucker Studio 180 Design special cruise project including pattern, fabric for top and binding, 5 Studio 180 tools - chocolate covered strawberries delivered to your stateroom on Embarkation Day! This is going to be an extraordinary opportunity to sew, create and make new friendships along the way! You won't want to miss this!

This package will include classes taught by Studio 180 Certified Instructor, Carie McGhie of Stitches & Crumbs; designated meeting space for our group only onboard the ship – coffee, tea, water and cookies every afternoon!

AND – I'm hosting my Birthday Party with presents for everyone! AND Birthday cake too!

As your travel professional, I will be providing you with information about your Holland America floating resort along with information about your ports of call, some history about our destinations along with offering tidbits and advice about traveling in general. I will be handing out information with recommendations regarding shore excursions and restaurant recommendations as well for each of your ports-of-call.

"Life Happens" – we have included Holland America's Platinum Travel Protection Plan for this vacation. Your vacation should be memorable for all the "right" reasons.

We hope you'll join us for one of the best quilting cruises ever!
