

Live Call Example Script

Hello, may I speak with _____.

This is _____ and I am your elected Precinct Committeeperson calling on behalf of the Mohave County Republican Party. We would like to verify our voter registration information as we gear up for our 2012 elections.

1. Does Mr./Mrs. _____ still reside at _____?
2. Is there an email address that we may use to send you important candidate or ballot proposition info?
3. Are there any local issues that you are concerned about that I can forward on to our Central Committee?

Thank you so much for your time – there is a lot at stake in this upcoming election and we can't afford to have one single conservative sit on the sidelines. We hope you will come out to vote in the Presidential Primary on February 28th!

If you would like to take down my number, I would be happy to answer any questions you may have in the future.
