

Mountain Curl aloe vera scalp treatment Method

@Ayokistyles_1

Wake up

Cut a piece of Aloe
Vera plant in half

Section hair
into 4 using
clips to hold
sections.

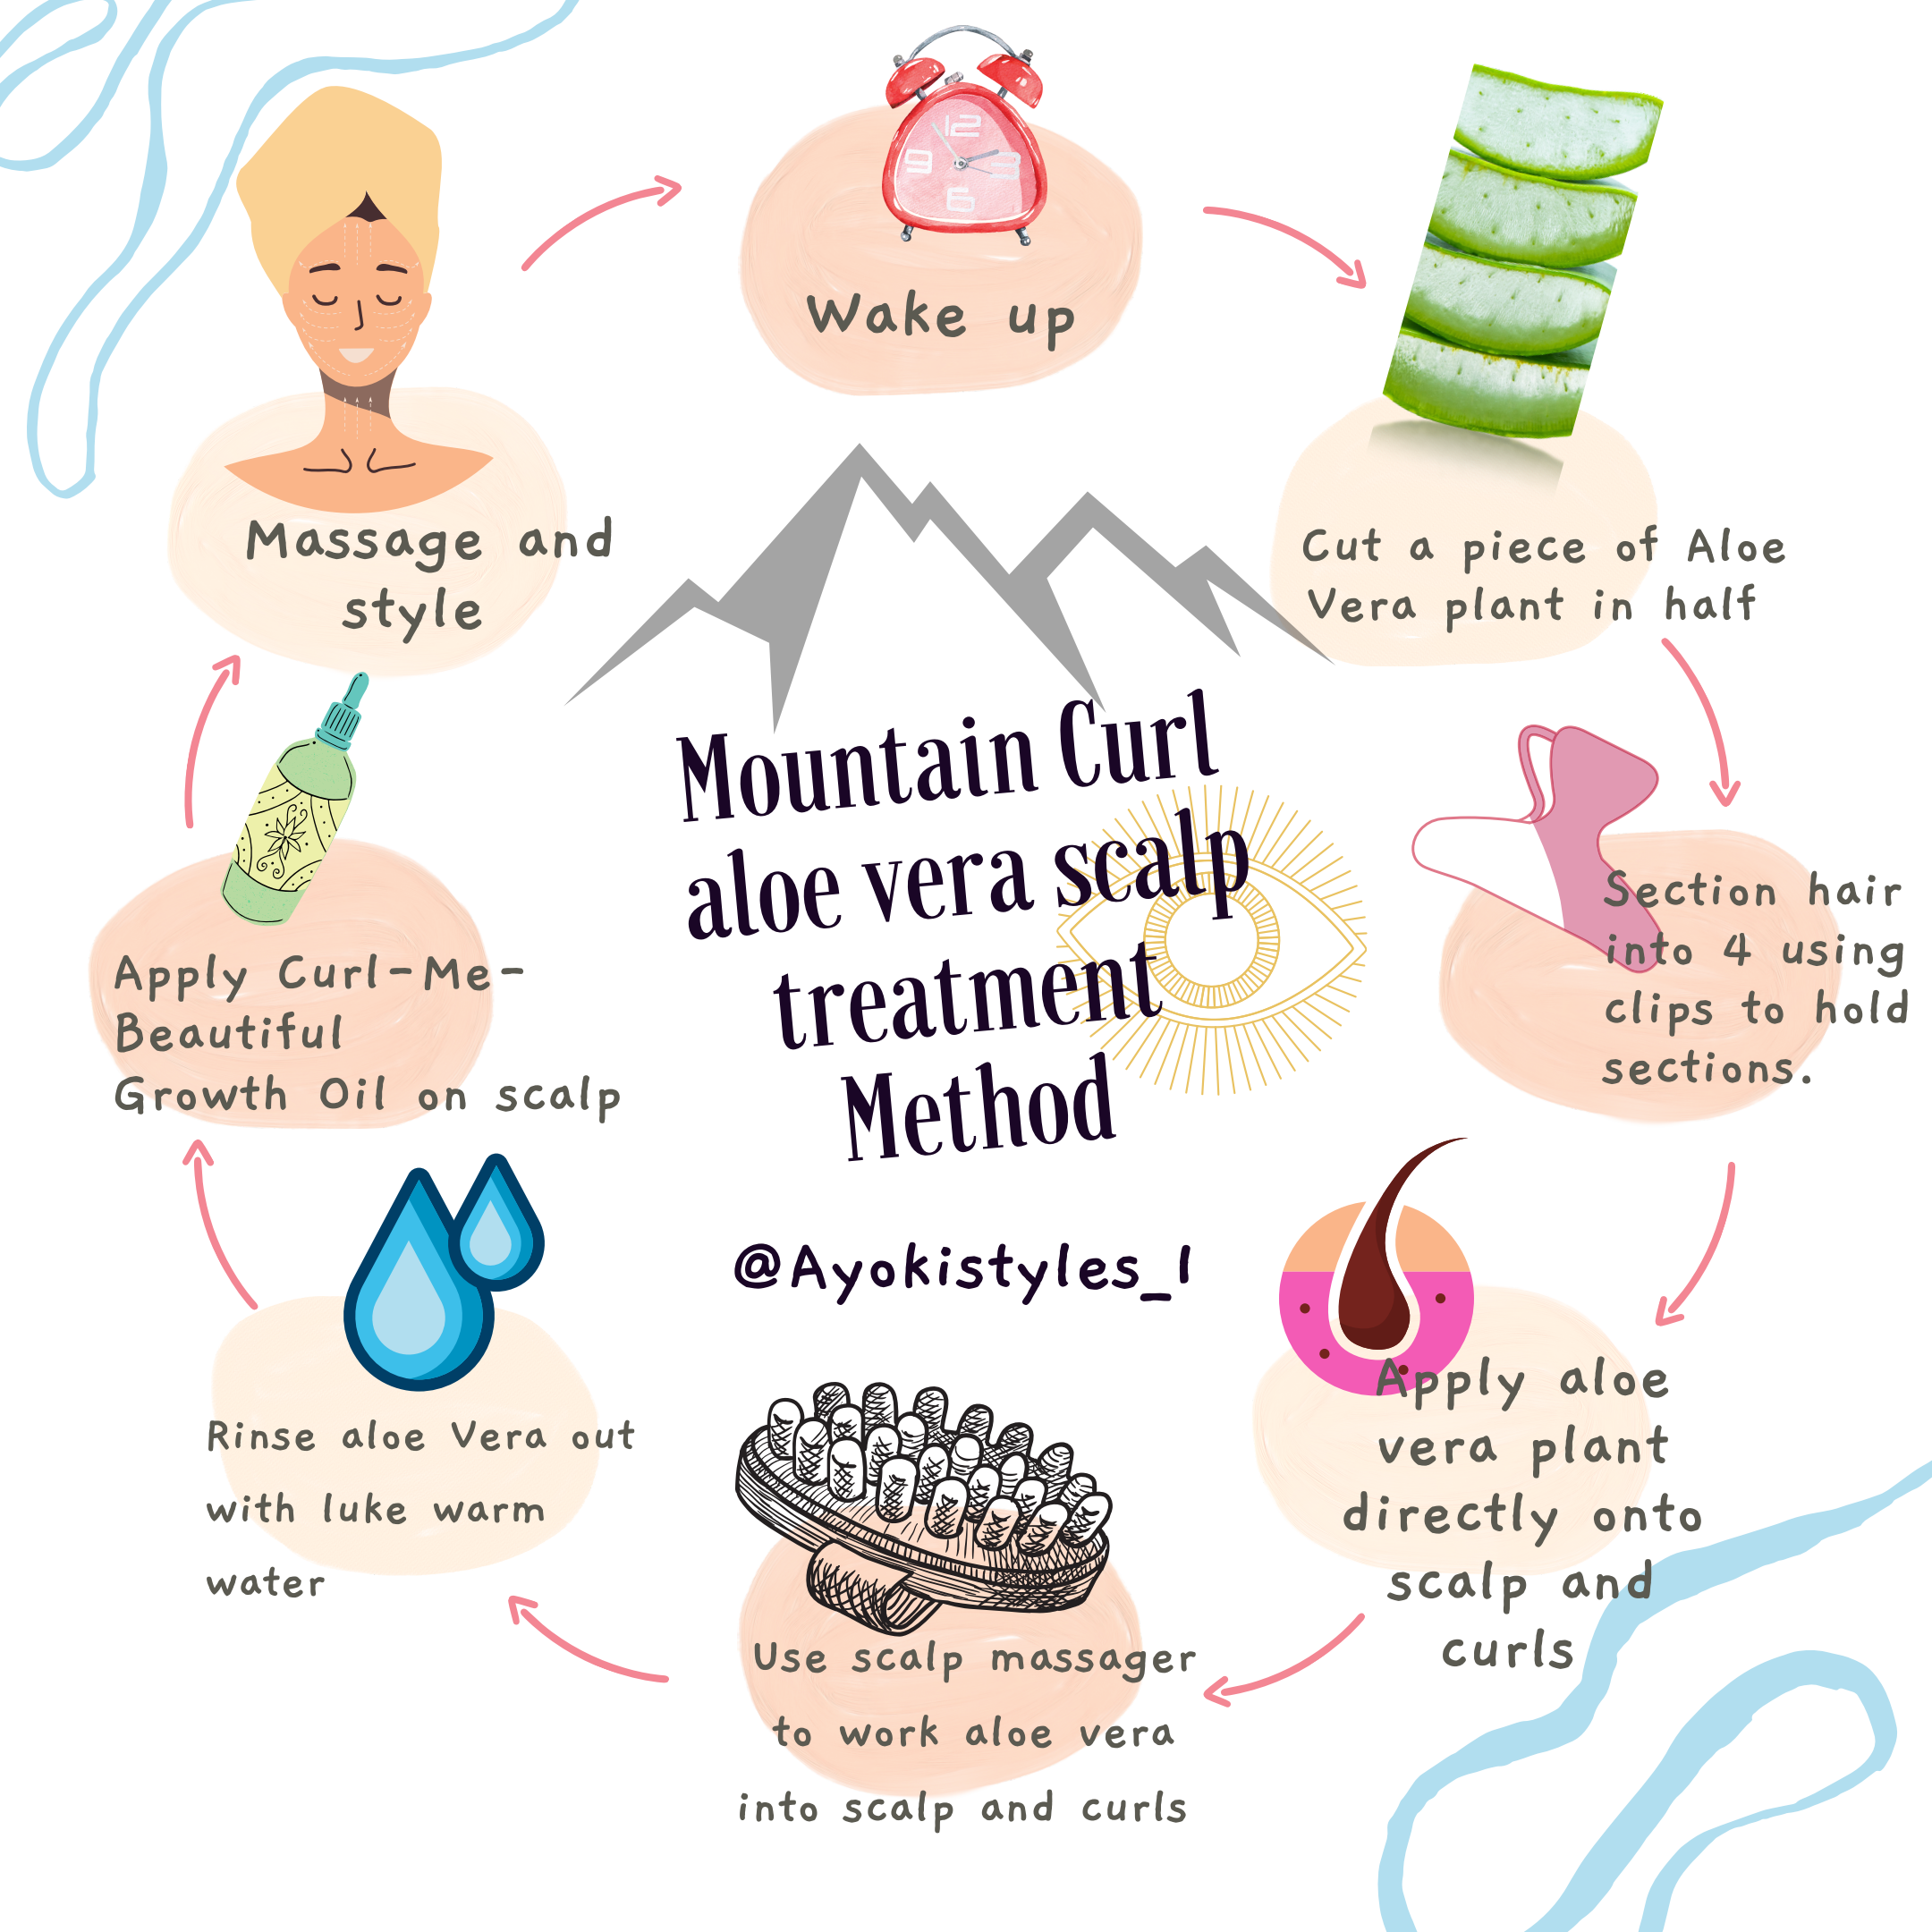

Apply aloe
vera plant
directly onto
scalp and
curls

Use scalp massager
to work aloe vera
into scalp and curls

Rinse aloe Vera out
with luke warm
water

Apply Curl-Me-
Beautiful
Growth Oil on scalp

Massage and
style

Plan to Detangle Before Shampooing

Use a light leave-in and detangling brush

Before shampooing rinse curls under warm water for 2 min

Once all sections have been worked through you are ready to shampoo

Mountain Detangling Method

Section hair into 4 quadrants using clips to hold sections.

Work in each section

Use detangling brush working from ends to scalp

Spray section with light leave-in and manipulate into curls
