**Using locally led recommendations to**  
help solve resource conservation problems

The Local Working Group in  
presents

**KERR COUNTY**

# Conservation Planning Meeting

**Kerr Co Agri-Life Extension Office**

3775 TX-27 Meeting Room Kerrville, TX

**Thurs. Feb 13, 2020 1:00 – 3:00 pm**

## **YOUR INPUT IS NEEDED**

Help determine local natural resource priorities and criteria for USDA conservation activities and programs planning for the upcoming fiscal year.

## **FOR MORE INFORMATION**

Contact the NRCS office in your county at (830) 896-4911x3 or your local Soil & Water Conservation District Board member. Or visit: [www.tx.nrcs.usda.gov](http://www.tx.nrcs.usda.gov) or [www.tsswcb.state.tx.us](http://www.tsswcb.state.tx.us).

## **GET INVOLVED**

Be part of the process that helps manage the natural resources that your community depends on for the future.
