

ORIENTATION COURSE

“Wherever you go, go with all your heart!” - Confucius

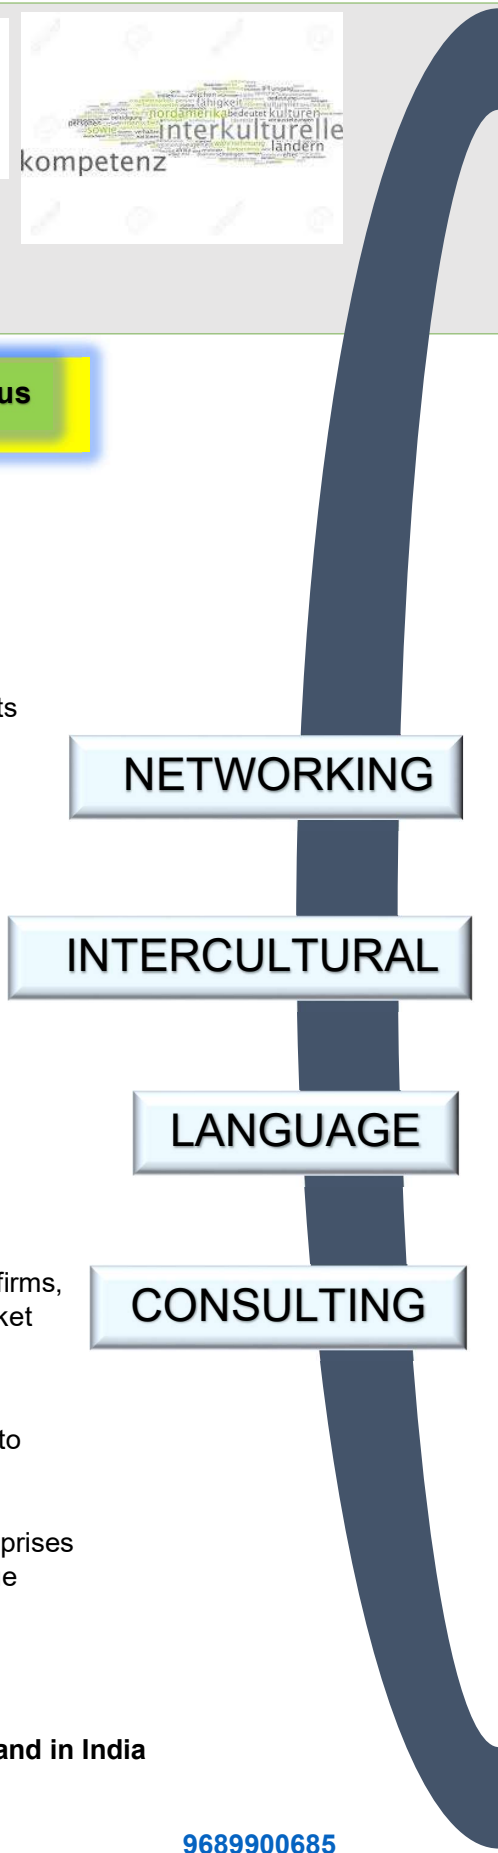

You are a German MNC or working with Germans. It is still the same thing! You must understand the intricacies of the language, of the cultural differences and various notations. You wish to increase your business interactions with them, may wish to travel to Germany for a business trip or trade fairs and wish to be a part of their society then here is the chance for you to learn from professional experts the basics and most important aspects of orientation in Germany.

Benefits of learning language and inter-cultural aspects for Indo-German companies:

- **Right meeting gestures at office, on the streets etc.**
- **Travel tips – where and how to save money!**
- **Small talks with Germans – assimilating your ideas.**
- **Corporate talk, communication and after work.**
- **Various insurances and contracts.**
- **Shopping made easy in Supermarkets and Downtown.**
- **Cricket vs Soccer!!**
