Teriyaki is a technique used in Japanese cuisine in which food is broiled or grilled with a glaze of soy sauce, mirin and sugar. The word teriyaki derives from the noun teriyaki which refers to shine or luster given by the sugar content in the tare, and yaki, which refers to the cooking method grilling or broiling. Traditionally, the meat I'd dipped in or brushed with sauce several times during cooking.

** 18% of gratuity added to party of 5 or more.
