Juvenescence reserves the right to amend or supplement the Parent Handbook at any time, provided reasonable notice is provided to Parents of material amendments or supplements.

*Dear Families,*

*As we enter this new school year, I have been reflecting on what each child will need to succeed, and knowing you have placed your trust in Juvenescence, what you hope and dream for your child, not just today, but in the future.*

*The skills your child is working to develop while at Juvenescence will be skills that will serve them for life:*

- *How to make, and be, a friend*
- *Solving the big and small problems that come up in friendships.*
- *Leadership – leading games, helping others, sharing their interests with others.*
- *Understanding who they are and valuing what makes them unique.*
- *Contributing to taking care of the toys they use, their personal belongings – developing responsibility.*
- *Building resilience by knowing everyone makes mistakes, but not on purpose, and that they are more than their mistakes.*
- *Building community and citizenship by participating in fundraising or activities that enrich their world, and the world of others.*

*Just to name a few.*

*I look forward to this next year and watching each child grow, make connections with friends – new and old. I look forward to supporting your child and Juvenescence being a community where they feel connection and belonging – and in the future, them stopping in to say “hello” and share where life has taken them.*

*Sincerely,*

*Jennifer Bulmer  
CEO/Founder  
Juvenescence Child Development Centre*

## OUR STAFF

We pride ourselves in having a committed team of Early Childhood Educators (ECE's) who create a stable, nurturing environment for the children in our care. Our staff come from a variety of ECE and related backgrounds and share a common passion in caring for children.

All ECE's are active in professional development and in pursuing personal growth through continued workshops and courses year-round. You will have an opportunity to meet our staff on your tour, or in your first days at the program.

Our Founder, Jennifer Bulmer, holds a diploma in Recreation Therapy, a certification as a Child Development Supervisor and has over 30 years professional childcare experience. She is enthusiastic in creating the highest quality childcare programs in Calgary and supporting other professionals in the School Age Care community.

## VISION

Changing the way community perceives youth by providing a solid foundation for youth leadership.

## MISSION

Partner with families and community to raise youth who are: problem solvers, confident, risk - takers and caring citizens of their community.

## PHILOSOPHY

*Juvenescence* believes every child deserves a safe, warm, and caring environment in which to grow and develop to their maximum potential. We are committed to fostering each child's self - esteem and feeling of self - worth and value through positive care giving, and stimulating activities that will promote physical, social, and intellectual growth and development. Every child is entitled to the opportunity to develop personal responsibility and social skills, to learn to problem solve and to learn about the diversity of people and the world around them. Each child is recognized as a unique individual who brings his or her own gifts to the program and deserves to be given the encouragement and space to try new things, explore new ideas and develop their own unique creativity.

*Juvenescence* is committed to families having the support of available, safe, reliable, high-quality childcare for their children that allows them the peace of mind they require to go to work and be worry-free during their workday. Parents are entitled to be treated with respect and be given the opportunity for feedback and involvement.

## Philosophical Differences

Occasionally, the needs of a family do not fit with the principles, policies, and procedures of Juvenescence. The Director will try to promote discussion to come to agreeable terms. If this is not possible, it is in the best interest of the family to enroll the child in a program that is more in line with their needs or beliefs. Juvenescence reserves the right to ask the family to find a more suitable childcare arrangement.

## ABOUT OUR PROGRAMS

Our goal as Early Childhood Educators is to provide a learn through play environment where your child:

- Makes friends and learns to be a friend.
- Uses Kelso's choices to solve small problems and to learn when to ask an adult for help.
- Develops values of respect, responsibility, caring, and honesty
- Practices leadership and develops confidence and personal pride.

Every day a variety of self – directed and leader – guided activities are planned for children to choose from. Activities include creative process art, games and puzzles, reading, floor toys, computer, outside and park play, and JCDC Kids Clubs (photography, carpentry, sewing, take-apart, investigation, music, science and nature, sculpting etc. – whatever the kids can imagine).

Juvenescence offers a variety of programs to fit the needs of working parents:

- **Kindi – Care:** We provide full-day care for kindergarten students enrolled in the PM Kinder class with the school. Our Kindi curriculum compliments classroom learning by emphasizing fundamental skills through play. This includes problem-solving and essential school readiness skills, such as forming lines, taking turns, and following instructions. We achieve this through a balanced mix of child-initiated and leader-led activities.
- **School Age Care:** Our engaging programs cater to children in Grades 1 through 6 and are conveniently held on-site at your community school. We prioritize letting children choose activities based on their interests. Each day, a diverse range of activities is offered, blending child-initiated and leader-led options.
- **Camp Care (Winter, Spring, and Fall Break):** These programs offer an array of field trips, guest presentations, special themed days, and outdoor play. All camps are hosted out our Chaparral and/or Acadia locations. \*\* Public registration may be accepted based on space availability. \*\*
- **Summer Camp Program:** Our summer camps run throughout July and August, providing exciting day camps with a mix of field trips, outdoor activities, specialty themes, water-based fun, and creative crafts. These camps are held at our Chaparral and Acadia locations.

## Your Child's Growth & Development

We provide a physically and emotionally safe place for children to be cared for outside of school hours, creating an atmosphere of respect and acceptance, so that all children feel welcome and appreciated, implementing programs to meet all areas of each child's development.

We endeavour to support each child's growth and development in the following ways:

- Providing opportunities to participate in individual, small group, large group, and leadership activities. Group activities encourage a child's social development and ability to cooperate, compromise, and resolve conflict with various groups of peers.
- Supporting and encouraging each child's emotional growth and development
- Supporting a healthy, active lifestyle and physical growth and development by providing a variety of activities including group games, park, and outdoor play
- Engaging children in planning activities for a sense of program ownership
- Engaging children in critical thinking and problem solving
- Incorporating activities such as dramatic play, photography, cooking, arts and crafts, themes, and free play such as house, building toys, doll house etc. to support creativity.
- By providing adequate supervision to ensure the physical safety of all children.

## Child Leadership Program

We believe it is our job, as role models and childcare professionals, to help in the development of leadership attributes, qualities, and skills in children at an early age. We believe leadership in children can be nurtured and grown and, in turn, build great amounts of self-respect and worth. Taking the initiative, making suggestions, providing direction, being sympathetic to the problems of others are all characteristics that can make great leaders. Fortunately, they are also behaviours that can be encouraged in our children.

## Teaching Leadership Qualities to Children

We want to help your child to be a leader, but what are the qualities of a leader? Here are some of the qualities required and how we can encourage the development of these qualities.

- **Integrity:** Staff always remember to be a role model for your child. We teach by example, and integrity is a quality kids learn from their care takers and parents.
- **Courage:** When your child shows courage, we notice it and praise it. It takes courage to try new things, to do what is uncomfortable and to tell their Educators about problems/bullying and we encourage kids to share with us.
- **Creative, independent thinking:** When we talk with your child about any subject at all, we try to ask open-ended questions that encourage creative thinking. After we have received all the obvious answers, we ask one more question, to come up with a deeper, more creative idea.
- **Self-belief:** One of the most important things we can help teach your child is to believe in themselves and in their ideas, visions, and abilities. We want children to know that nothing is beyond their capabilities. Having goals is the first step towards leadership - the second step is knowing how you are going to achieve these goals, and if they are feasible at all.
- **Confidence:** To develop confidence in your child, we praise your child sincerely and often, and develop a habit to talk about your child's strengths and achievements

with them daily.

- **Responsibility:** Good leadership is knowing when you made a mistake and having the ability to admit your mistakes and apologize. When your children blame someone or something else for a mishap, or comes up with excuses, we see this as our opportunity to encourage your child to assume responsibility and we make sure that your child knows that it is Ok to make mistakes. Mistakes are an opportunity to learn. We help your child draw conclusions, without 'making them wrong,' by asking: "What did you learn from this?", "What do you think went wrong?", "Why do you think this happened?", "How could you avoid this?" and again, "What do you think would happen if...?"
- **Planning:** When children are chosen as leaders, they are asked to come up with a plan for the day and stick to it. They help plan the group games we play to the crafts we make. The best leaders are those that chart a course of action in advance and stick to it.

### Distal Supervision

Distal supervision is defined as intermittent direct supervision by a staff where there is a planned, location specific, time limited program activity. The goal of distal supervision is to enhance a child's ability to function responsibly and independently of direct adult supervision in accordance with their developmental needs. Distal supervision is primarily intended for children 9 – 12 years of age.

It will be a joint decision of staff and parents to offer this option to the child. Parents are required to sign a permission form and the child must sign a distal supervision agreement form. No child will be allowed on distal supervision without these forms on file. This is a privilege given by the Director to children who exhibit responsibility and maturity daily. Children may only go to a designated area after asking the staff for permission and explaining what activity they will be doing. Our child to staff ratio remains 1:15. Children must go in a minimum group of 4 and they will not be allowed anywhere by themselves. The staff decide whether to allow distal supervision at any given time. Distal supervision activities will not exceed 45 minutes in duration and children are responsible for checking in every 15 minutes. The staff will make random checks to ensure the children are safe, are being responsible and are maintaining a safe play environment.

This privilege will be revoked if the child exhibits inappropriate behaviour or takes advantage of the agreement. Examples of reasons it may be revoked are failure to check in with a staff at the designated time, not asking permission to leave on distal or not following specified program rules.

## OPERATING INFORMATION

### Hours of Operation

Monday – Friday 7:00am – 6:00pm

Spring, Summer, and Winter Camps: 7:00am – 6:00pm  
(School Vacation Camps operate at our Chaparral and Acadia location and are open to all Juvenescence families.) Juvenescence is closed for all Statutory Holidays.

### Closure/Camp Dates

Programs located in schools may have limited or no access during school breaks, at the discretion of the school board. During these times, care may be available at our Chaparral and Community location, space permitting. Care is not guaranteed during school breaks. Additional closure dates may occur due to school access restrictions and will be communicated once school calendars are released or updated by the school board.

## ENROLLMENT & WAITLIST POLICIES

### Initial Enrollment

A space is only offered when the following has been received/confirmed:

- **\$100.00** non – refundable registration fee per child
- **deposit of 1 months' fee** which is applied to the first month of care. First month's fees are refundable **only** prior to the start of care if **notice is provided by the 1<sup>st</sup> of the month prior to care starting.**
- Pre-Authorized Debit authorization valid until child leaves the program.
- Online registration at [www.juvenescence.ca](http://www.juvenescence.ca)
  - Once your online registration is complete, you will receive an email to confirm your secured spot and start date from the Enrollment Specialist.
- **[Refunds & Credits are provided in accordance with the Withdrawal, Refund & Credit Policy](#)**

### Annual Re-enrollment

Each program operates with 2 separate and distinct programs. Kindi Care with 15 – 20 spaces/program and School Age Care for children Grade 1 – 6 filling the remainder of the spaces. Families are required to reenroll each year and **space is not guaranteed**. Re-enrollment packages will be date and time stamped and spaces will be filled on a first come first serve basis, based on the below criteria:

Reenrollment links will be emailed on April 1<sup>st</sup> & 2<sup>nd</sup>, or the next business day, and registration will be open the first 3 business days of April. There is an annual enrollment fee of **\$50.00/child**. Just a reminder to submit your package on the morning of your scheduled date as they are time stamped and current enrollment is not a guarantee of re-enrollment.

Annual enrollment is a 3-day process at the beginning of April where the Grade 1 – 6 spaces will be filled but not guaranteed with the following criteria:

- Day 1 – Existing families that attended 4 or more weeks of summer camp the previous year
- Day 2 – All remaining existing families and waitlisted children who have siblings in the program
- Day 3 – Waitlist spaces offered based on date waitlisted.

### Waitlist Priorities

Our waitlist is not first come first serve and has a variety of criteria. Spaces are filled by these priorities:

1. Kindergarten children (as a separate program)
2. Currently enrolled children who did not receive a space on Day 2 registration.
3. Children with siblings in the program and children of teachers/program staff by date waitlisted
4. New families by waitlisted date

## Camp Registration

Juvenescence Camps operate at our Chaparral and Community location (TBD). Occasionally camps may also operate at Cranston School, access permitted.

Families registered in our 12-month program receive priority registration for summer, fall, spring and winter camps. Camps will open for remaining Juvenescence families following 12-month registration.

Watch for camp registrations to be linked in email communication from Directors on the following dates (or the following business day if dates land on the weekend):

Fall Break	October 6 <sup>th</sup> , 12-Month, 13 <sup>th</sup> - (All Families)
Winter Camp	November 9 <sup>th</sup> -12-Month, 16 <sup>th</sup> - (All Families)
Spring Camp	February 8 <sup>th</sup> -12- Month, 16 <sup>th</sup> - (All Families)
Summer Camp	April 20 – 21 (Chaparral) April 22 (All Families)

Camp packages will include camp policies for registration, cancellation/changes. To preview our previous camps, check out our website at [juvenescence.ca](http://juvenescence.ca).

### THE JUVENESCENCE CAMP DIFFERENCE

- Explore Calgary attractions with your friends with multiple field trips each week.
- Staff are over 18 years of age, certified ECE's with Security Clearances and First Aid/CPR
- As a licensed program, Subsidy and Affordability Grants are available.

## SIGN IN/PICK UP & ATTENDANCE POLICIES

### Sign In & Out

When arriving at the program for drop off or pick up, ring the doorbell and a staff will provide access to the Centre and will sign your child in/out.

Please do not allow others access to the centre, it may feel rude, but it is all about ensuring a safe environment for children and staff. Please do not attempt to "piggyback" access by following another parent into the building or catching the door as someone leaves. Having accurate attendance is essential to ensuring proper supervision and safety of the children. Let an ECE know every time your child is being dropped off or picked up.

### Absences

If your child will be absent for any portion of the day, please call the centre to let them know. After school we sign in and account for all children and when your child does not arrive, we worry about them and initiate lost child procedures. It may delay us looking for a child that is truly lost if you have your child and forgot to notify us.

If we cannot reach you to confirm the whereabouts of your child, the police will be called to help locate the child. If the child is not lost, but with the parent and police are called, a **\$75.00** charge will be applied.

### Alternate Pick – Up Person

When someone other than the parent is picking up – parents must communicate in writing the legal name and date they will be picking up your child. Prior to releasing a child from the program, any person unknown to staff will be required to show ID.

Authorization for multiple pickups by a non-custodial parent can be sent via email for a maximum of a 1- month period – make sure to include their legal name and dates they will pick up your child.

### Subsidy/Affordability Grant

Any family receiving subsidized childcare should be mindful of meeting the minimum hours required to obtain their funding. If hours are not met, funding may be prorated. Any fees not covered by funding become the responsibility of the parent and will be collected by Juvenescence via PAD on the next date fees are owing. Additionally, if your child attends more than one Juvenescence location, subsidy will need to be notified and the joint hours will count towards obtaining full funding.

### Field Trip Permissions & Attendance

Alberta Licensing Regulation States:

A license holder may take a child to an activity off the program premises only where a child's parent has been advised of the activity, including the transportation and supervision arrangements with respect to the activity, and the child's parent has consented in writing to the child's participation in the activity.

Field trips are frequently planned on non – school days and during Camps. Plan to arrive 15 minutes prior to the departure times to make sure your child is signed in and has been present for any safety instructions. If your child will not attend, please let a staff know as soon as possible so that we can make any adjustments to staff schedules, bussing, and admissions with the field trip venue.

## DAILY SCHEDULES & ROUTINES

### MORNING

Welcome, Snack & Attendance  
 Free Play, Clubs, Social Skill Building  
 Community Time - Daily Questions, Group Meetings, Kelso's Choices & SEL  
 Child-Led Activities - Clubs, Leadership, Process Art, Loose Parts Play  
 Active Play  
 School Bell

### KINDI CARE

Snack & Attendance  
 Free Play  
 Process Art, Active Play, Loose Parts Play, Science, Literacy & Imaginative Play  
 Enhancements & Community Outings  
 Kelso's Choices & SEL learning  
 Lunch  
 School Bell

### AFTERNOON

Welcome, Snack & Attendance  
 Free Play, Clubs, Social Skill Building  
 Community Time - Good News Announcements & Updates, Kelso's Choices  
 Child Led Activities - Clubs, Process Art, Loose Parts Play, Leadership & Citizenship  
 Active Play  
 Outside or Gym Time

### PD DAYS

Welcome, Snack & Attendance  
 Field Trips and Program Enhancements  
 Free Play, Clubs, Social Skill Building  
 Community Time - Daily Question, Group Meeting, Announcements & Updates  
 Child Led Activities - Clubs, Process Art, Loose Parts Play, Leadership & Citizenship  
 Active Play

### At Juvenescence we:

- Provide a flexible, guiding framework for children to explore.
- Provide a balance of planned activities and time for children to engage in play of their own choosing.
- Involve children in planning activities that are responsive to their interests, backgrounds, preference, needs and abilities.
- Support each child's character and social skill development.
- Provide a variety of materials to meet each child's interests, promoting discovery, creativity, and fun.
- Plan off – site excursions and specialty activities with child input on non – school days.
- Include children in discussions to ensure toys and equipment reflect the ages, interests, and abilities.
- Engage children in the development of program planning, routines and rules that are values based.
- Include community and global issues in programming.
- Provide leadership and skill development opportunities.
- Celebrate each child's unique personality, interests, and talents.

### Offsite Excursions

- Parents will be advised of off – site activities through email
- Parents are invited to participate in off – site excursions with their children.
- Parents must have a security clearance and agree to the volunteer handbook.
- Parents must consent in writing for child to attend scheduled activity – make sure you sign before the deadline!
- If you do not wish your child to participate in the planned activity, alternate care will be required for the day and is the responsibility of the parent.
- Children will require a lunch with plenty of snacks. Microwaves are not available.
- Children demonstrating unsafe or unacceptable behaviour will not be allowed on future field trips.
- Transportation is provided by centre vehicle, charter bus, city transit or walking. Children who do not adhere to bus safety rules will be given a written warning and parents will be notified. Child transportation privileges may be suspended if inappropriate behaviour continues.

## SCHOOL AGE ENVIRONMENT POLICY

Alberta Licensing Regulation states:

### CHILDCARE RATIOS & STAFFING

At all times, the following requirements are met with respect to the minimum primary staff to children ratio, and the maximum number of children who may be included in a group.

Kindergarten – 6      Ratio: 1:15

Maximum Group Size 30

### Indoor & Outdoor Environment

Indoor and outdoor spaces provide opportunities for children to creatively explore their individual interests and have a change of pace from the school day.

#### Indoor

- Provides opportunity for children to creatively explore their interests.
- A quiet area is available for children to read or complete their homework in addition to areas that allow for messy or noisy activity.
- The indoor space is arranged so that a variety of activities can occur simultaneously.
- Provide materials and opportunities for children to work independently, in small or in large groups.

#### Outdoor

- Daily opportunity for a range of daily indoor/outdoor physical activities
- The program provides a variety of recreation equipment to support physical activities appropriate to the season.
- Activities take place during all seasons with appropriate planning for the weather conditions.

### Inclement Weather

Be prepared to go outside every day by dressing for the weather. There will be times, however; when the weather does not allow us to take the children outside safely. Under no circumstances will children be taken outside in the following conditions:

- Heavy Rain or Hailstorm
- Thunder and lightning in area
- -15 degrees or colder with the wind chill
- Winds greater than 40 km/hr
- Air Quality Health Index higher than 7

**Summer:** Shoes for running, jumping, playing, and climbing. No FLIP FLOPS please. A hat, water bottle and sunscreen will ensure fun is had by all.

**Winter:** Winter boots, mittens, toques, winter jacket and snow pants. Snow pants keep us warm and dry so bring them even on warm days when there is snow on the ground.

## INCLUSION & DIVERSITY

At the end of the school day, children need an opportunity to choose from a variety of activities that provide reprieve, rejuvenation, and refreshment according to their individual interests.

- Leaders invite children to become involved with new activities.
- Leaders offer recreational activities promoting the physical health and well-being of the child.
- A variety of cultural and inclusive childcare materials and literature are available to the children.
- Program activities are modified to accommodate different abilities.
- Leaders plan for opportunities to incorporate and celebrate the cultural heritage of the community of families they serve.
- Leaders provide the children with opportunities to be sensitive to and celebrate individual differences and unique qualities.
- Opportunities are provided that allow children to use their own abilities, skills, and talents.
- Leaders encourage children to try new things on their own.
- Leaders recognize children who show compassion, include others, and are good citizens.

### We aim to:

- Provide a secure environment in which children can flourish and in which all contributions are valued. Include and value the contributions of all families to our understanding of equality and diversity.
- Provide positive non-stereotyping information about gender roles, diverse ethnic and cultural groups, and people with disabilities.
- Improve our knowledge and understanding of issues of anti-discriminatory practice, promoting equality and valuing diversity.
- Make inclusion a thread that runs through all the activities of the program.

### Evaluation Period

The first month of enrollment at Juvenescence is an evaluation period. During this time, program staff observe how a child is integrating into the program. They monitor the child's behaviour, compare observations, and communicate any concerns or difficulties observed with parents/guardians. At the end of the evaluation period, the Directors will make a recommendation to parents/guardians as to whether the program is suitable for their child, or they may suggest alternative/supportive program options within the community.

### Inclusive Care Supports

If a Support Aide is needed Juvenescence can help contract Supportive Aides to work one-on-one with their child in the program, subject to approval by FSCD (Family Support for Children with Disabilities).

## TECHNOLOGY

Juvenescence recognizes the benefits of technology that can enhance the development of daily living and skills. The use of computers, TV, video, and gaming is limited, thoughtful and focused on intended program outcomes. Children may access technology such as music, movies, gaming systems, computers, and personal gaming systems. While using technology at Juvenescence children must always use good judgment. Violation may result in access privileges being revoked.

## TRANSPORTATION

Children in Grade 1 – 6:

- Play outside under school supervision for 10 – 15 minutes before school.
- Walk independently from the school to the program after school.

Kindergarten children:

- Are walked to and from their Kindergarten classroom.
- Kindergarten children who attend an off-site location will be transported by Centre van from their Centre to our Chaparral location for Kindi Care and will be taken back after lunch and in time for school.

Please communicate to your child that afterschool they are required to come directly to Juvenescence; if their teacher requires them to stay afterschool for any reason, please have them call the centre so we know when to expect children to arrive at the program. At the end of the school day, if the child doesn't arrive to the centre in a reasonable time (10 minutes), the staff are not responsible and [Lost Child Procedures](#) will be initiated.

## HEALTH & NUTRITION POLICY

Alberta Licensing Regulation states:

A license holder must

- Provide or require parents to provide snacks for children in the program, and
- Ensure that the snacks are provided to children in sufficient quantities and in accordance with a food guide recognized by Health Canada

### Nutrition

- Juvenescence is a nut aware environment.
- Children are encouraged to bring a morning and afternoon snack from home that are in accordance with the Canada Food Guide
- Kindergarten children eat lunches packed from home before going to school. Microwaves are available for heating lunches.
- Microwaves are not available during camps or on non – school days as we are frequently out of the building on field trips.
- We help children develop healthy lifestyles by encouraging healthy eating.
- If a child comes to the program without adequate lunch, extra lunch items are

available at the centre. Any lunch items supplied by the Centre will need to be replaced by parents.

- All children will be guided to follow proper hygiene practices before and after eating.
- **Candy, gum, and pop are discouraged.**
- On special occasions such as birthday, we invite parents, if they wish, to bring in a special "treat." Ask a staff about allergies before bringing treats so all children can participate in the celebration.

### Potential Health Risk

Alberta Licensing Regulation states:

Where a staff member knows or has reason to believe a child is exhibiting signs or symptoms of illness, as listed below, the staff must ensure:

- The child's parent arranges for the immediate removal of the child from the program premises,
- That the child does not return to the program premises until the license holder is satisfied that the child no longer poses a health risk to persons on the program premises, or
- The child's parent provides written notice from a physician indicating the child does not pose a health risk to persons on the program premises.
- Signage to be posted informing parents any time their child may have come in contact with a communicable disease while in the care of Juvenescence.
- Signs or symptoms of illness exhibited by a child include the child:  
Vomiting, having a fever, diarrhea or a new or unexplained rash or cough.
- Requiring greater care and attention than can be provided without compromising the care of the other children in the program, or
- Having or displaying any other illness or symptom the staff member knows or believes may indicate that the child poses a health risk to persons on the program premises.

### Health Care

Alberta Licensing Regulation states:

In case of an accident or serious illness involving a child, the license holder must forthwith ensure that.

- The child's parent is notified, and
- The child receives medical attention if necessary.

The provision of health care to a child is permitted only when the child's parent has consented in writing, or the health care provided is in the nature of first aid. Consent for childcare includes circumstances when ECE's feel that a child may require emergency medical attention, in which case 9-1-1 will be called and child transported to the nearest hospital. Parents will be responsible for any fees incurred in emergency situations.

### Accident Or Illness

- In the case of an accident or serious illness involving a child, the staff in charge will notify parents by phone and ensure the child receives medical attention if necessary.
- In a medical emergency, an ambulance will be called to transport child to the nearest clinic or hospital. An educator will accompany the child and wait with them until the parent arrives.
- Parents will be contacted immediately.
- In all cases where an accident occurs at the program, which does not require emergency aid as above, parents will be notified on their arrival at the program and asked to sign an Incident/Accident Report form to confirm their awareness of the incident.

### Medication Administration

Alberta Licensing Regulation states:

A license holder may administer or allow the administration of medication to a child only where:

- The written consent of the child's parent has been obtained,
  - The medication is in the original labelled container, and
  - The medication is administered according to the labelled directions.
- Where medication is administered to a child, the license holder must ensure that the following information is recorded:
- The name of the medication
  - The time of administration
  - The amount administered.
  - The initials of the person who administered the medication.
  - A license holder must ensure that all medication, except medication that may be needed in an emergency, is stored in a locked container that is inaccessible to children.

If your child will need medication administered, please see a staff to complete the Medication Administration Forms. No medication can be administered that does not meet the guidelines as required by licensing. If your child requires emergency medications, such as Epi-Pens or Inhalers, please discuss with a Juvenescence staff.

Emergency Medication must be:

- kept out of reach of all children and may not be stored in children's back packs,
- have a completed Medication Administration Form

## CHILD GUIDANCE, BEHAVIOUR, AND PARENT PARTNERSHIP POLICY

### Purpose

Juvenescence is committed to providing a safe, respectful, and developmentally appropriate environment for all children, staff, and families. This policy outlines our required child guidance practices, behaviour response procedures, and parent partnership expectations in alignment with Alberta Child Care Licensing regulations.

### Guiding Principles of Child Guidance

All guidance practices at Juvenescence are: - Positive and proactive - Respectful of each child's dignity - Consistent across staff and classrooms - Developmentally appropriate and individualized - Focused on teaching self-regulation and social skills

Educators support children in learning to: - Express emotions appropriately - Solve problems with peers - Follow expectations and routines - Develop self-control and responsibility

### Prohibited Practices (Licensing Requirement)

The following practices are strictly prohibited: - Physical punishment of any kind - Verbal or emotional abuse, humiliation, or degradation - Denial of food, rest, toileting, or any basic need - Physical restraint, confinement, or isolation (except as permitted under regulation)

These practices are never used under any circumstances.

### Approved Child Guidance Strategies

Educators are required to use the following strategies consistently:

#### a. Modeling

Educators demonstrate respectful communication, problem-solving, and emotional regulation.

#### b. Redirection

Children are guided toward more appropriate activities when frustration or conflict arises.

#### c. Clear Limits & Expectations

Rules are clearly taught, age-appropriate, and consistently reinforced.

#### d. Positive Reinforcement

Educators use encouragement and recognition to reinforce appropriate behaviour.

#### e. Emotional Support & Co-Regulation

Educators: - Help children identify and express feelings - Support calming strategies - Guide children through problem-solving

#### f. Supported Regulation Break

When needed, a child may be temporarily removed from a situation to regain control in a supervised and supportive manner. This is not punitive and is used to ensure safety and emotional regulation.

### Individualization & Consistency

- Guidance strategies are adapted to each child's age, developmental stage, and individual needs
- All staff follow the same guidance approach
- Expectations are applied consistently across the program

### Behaviour Expectations

Children are expected to: - Follow reasonable instructions - Interact respectfully with others  
- Use safe behaviour at all times - Participate without ongoing disruption

### Definitions of Concerning Behaviour

Concerning behaviour includes, but is not limited to: - Physical aggression - Verbal aggression - Defiance - Unsafe actions - Repeated disruption - Theft

All behaviours are documented and tracked to identify patterns over time.

### Documentation & Professional Authority

- All incidents and behavioural concerns are documented by educators
- Documentation is used to identify patterns and guide decision-making Educator observations and incident reports are considered accurate and treated as factual records. While parent input is valued, professional judgment of staff guides all decisions related to behaviour, safety, and program operation.

### Behaviour Response Process

A structured response process is followed. A "strike" may be issued based on: - A single serious incident (e.g., aggression, safety risk) - OR repeated concerning behaviours over time

Determination of a strike is at the discretion of the administration.

#### Stage 1 -Initial Concern

- Parents are notified
- Meeting is scheduled
- Initial strategies and expectations are outlined

#### Stage 2 -Behaviour Plan

- Formal Behaviour Improvement Plan is implemented
- Clear expectations, supports, and timelines are established
- Parent participation is required

#### Stage 3 -Escalation

- Continued concerns may result in suspension or termination of care
- Juvenescence reserves the right to accelerate or bypass stages where: - Safety is at risk  
- Behaviour is severe - Parent cooperation is not demonstrated

### Serious or Ongoing Behaviour

Additional steps may include: - Ongoing documentation and monitoring - Collaboration with families - Referral to external or community supports

Suspension or termination may occur if behaviour: - Poses a safety risk - Persists despite intervention - Significantly disrupts the program

### Parent Partnership Expectations

Enrollment requires a collaborative partnership between families and the centre.

Parents/guardians are required to: - Attend scheduled meetings - Follow agreed behaviour strategies at home - Maintain respectful communication - Support staff decisions in front of their child

Parents/guardians must not: - Dismiss or contradict staff in front of the child - Undermine expectations or consequences - Respond in a confrontational or disrespectful manner

Failure to meet these expectations may result in progression within the behaviour process, including termination of care

### Philosophical Alignment

Families must align with Juvenescence's approach to behaviour guidance and expectations.

Where alignment cannot be achieved, the centre will initiate a transition out of care.

### Right to Terminate Care

Juvenescence reserves the right to terminate care at any time where: - Safety is compromised - Behavioural concerns persist - Parent cooperation is not demonstrated - Trust between the family and Centre breaks down

All decisions prioritize the well-being of all children, staff, and the integrity of the program.

### Theft (Developmentally Guided Response)

- First incident: Restorative approach, teaching, and parent meeting
- Repeated incidents: Escalation through behaviour process, which may include termination

This policy reflects Alberta Child Care Licensing requirements and Juvenescence's commitment to a safe, respectful, and high-quality childcare environment.

## BULLY PREVENTION & INTERVENTION

**DEFINITION:** Bullying is when someone, or a group of people, upset or create a risk to another person's health and safety – either psychologically or physically - or their property, reputation, or social acceptance on more than one occasion. (Department of Education and Early Childhood Development Definition)

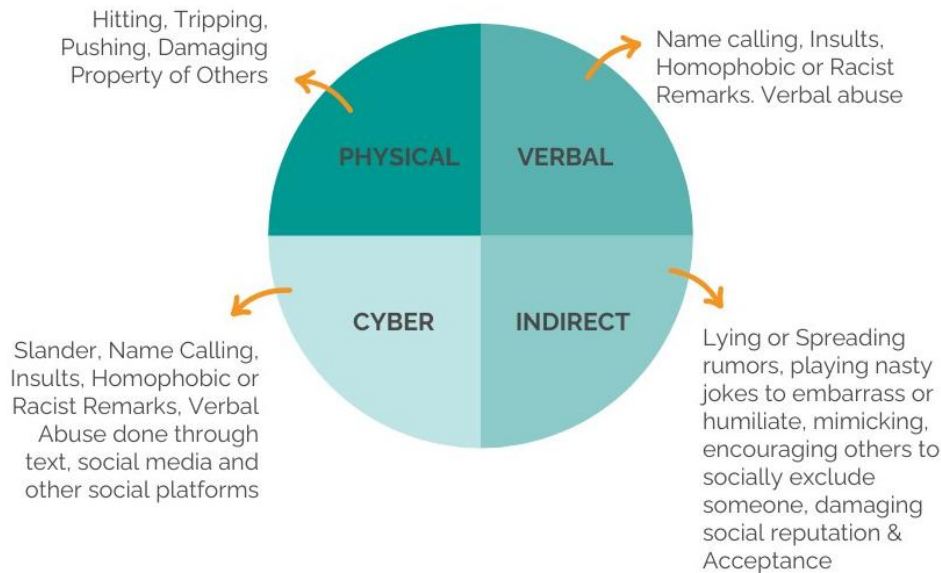

**RATIONALE:** At Juvenescence we work to promote a positive culture where bullying is not accepted, and in doing so, everyone has the right to be respected by others, the right to learn or lead, and a right to feel safe and secure in the program environment.

**PURPOSE:** We aim to promote tolerance and positive behaviour in the Juvenescence community by:

- Reinforcing within the program community that no form of bullying is acceptable.
- Encouraging the children to be alert to signs and evidence of bullying and to have a responsibility to report it to staff whether as observers or victims.
- Ensuring that all reported incidents of bullying are followed up and that support is given to the victim, perpetrator, and all other individuals involved.
- Seeking parental and peer group support and cooperation at all times

## 4 Types of Bullying

## What Bullying Is Not

There are three socially unpleasant situations that are often confused with bullying:

1. **Mutual Conflict**: In mutual conflict situations, there is an argument or disagreement between students but not an imbalance of power. Both parties are upset and usually both want a resolution to the problem.
2. **Social Rejection Dislike**: Unless the social rejection is directed towards someone specific and involves deliberate and repeated attempts to cause distress, exclude or create dislike by others, it is not bullying.
3. **Single – episode acts of nastiness or meanness, or random acts of aggression or intimidation**: Single episodes of nastiness or physical aggression are not the same as bullying. If a student is verbally abused or pushed on one occasion they are not being bullied.

## Implementation

***Our educators, parents and children are required to play an active role in the implementation of our anti-bullying strategies.***

### Staff Responsibility

- Consistently reinforce positive behaviour
- Encourage and model tolerance and acceptance.
- Be observant of signs of distress or suspected incidents of bullying.
- Confer with parents if necessary.
- Communication between staff members in writing including the names of children requiring attention.
- Take steps to help victims and remove source of distress.
- Listen and respond to all complaints of bullying.
- Keep a record of children's unacceptable behaviour.
- Report incidents of behaviour to parents
- Monitor computer use.

### Children's Responsibility

- Refuse to be involved in bullying situations.
- Report suspected incidents to the staff, either as an observer or a victim
- To behave in a way that reflects their understanding of the Bully Prevention & Intervention Policy

### Parent Responsibility

- Take an active interest in their child's school life to be aware of any problems.
- Encourage their child to report and deal with the problem themselves.
- Encourage their child to be verbally assertive rather than retaliate with action.
- Communicate to the program that their child is being bullied.
- Monitor computer use.

### Follow Up

- Staff to complete an Incident/Accident Report
- Educators will continue to monitor the situation.
- Implementation of our Child Guidance Policy and procedures

## EMERGENCY PROCEDURES

Alberta Licensing Regulation States:

In this section, "incident" means a serious illness of or injury to a child that occurs while the child is attending a program, and any other incident that occurs while a child is attending a program that may seriously affect the health or safety of the child. A license holder must report each incident to the director (licensing) forthwith in the manner required by the director (licensing).

A report must be made to licensing anytime there is:

- An emergency evacuation
- Program closure due to an emergency
- Intruder on the program premises
- Illness or injury to a child that requires the program to request EMS and/or overnight hospitalization.
- An error in the administration of medication by program staff resulting in child becoming seriously injured or ill and requiring first aid, or the program requesting emergency health care and/or requires child to remain in hospital overnight.
- The death of a child
- Unexpected absence of a child from the program (lost child)
- Child removed from the program by the non – custodial parent or guardian.
- An allegation of physical, sexual, emotional abuse and/or neglect of a child by a program staff member or volunteer.
- The commission by a child of an offence under an Act of Canada or Alberta
- A child left on the premises outside of the program's operating hours.

### Emergency Evacuation

In the event of a real emergency, children and staff practice monthly facility evacuations using a variety of situations and routes.

### Fire Alarm

- Children line up quickly and quietly at the door.
- Staff collect pertinent information such as portable emergency records and attendance sheets.
- Staff close all windows and doors upon exit from the building.
- Staff and children proceed in an orderly manner to the nearest exit door.
- All people move well away from the building to a predetermined meeting place.
- Staff take attendance to ensure that all children in attendance are outside and accounted for
- Staff and children do not re-enter the building until it is safe to do so. The Fire Department will give an all-clear.
- If re-entry to the building is not possible. Staff and children will relocate to their emergency evacuation location. Parents will be contacted from the emergency evacuation location to pick up their children.

## Lockdown

While Juvenescence has never faced a reason to “lockdown” and we focus on having a secure facility, lockdown procedures are practiced 2 times per year so that staff and children know what to do in the event of an intruder on the premises.

- Close all building doors and window coverings.
- Move children to designated lockdown location.
- Get as low to the ground as possible.
- Sit with head down and arms covering.
- Staff in charge will check that all children are accounted for.
- Call 9-1-1 and remain in lockdown until emergency services give all clear

## Power Failure

- If there are enough natural light regular activities will continue
- If in darkness the Centre will be evacuated to a predetermined meeting spot
- Weather permitting, children will play outside until power is restored.
- In the event of adverse weather conditions requiring indoor relocation, staff will promptly move the group to the designated emergency evacuation location.
- The Child Development Director will bring the phone, portable records, and attendance records.
- A sign will be placed on the door telling parents where their children are located.
- If the power remains out for an extended period of time, especially in cold weather, parents will be contacted to pick up their child.

## Custody Conflicts

- Juvenescence and the staff are a neutral party in custody matters and can only enforce custody agreements as per the court order.
- If ever the non-custodial parent is in breach of the legal custody agreement, we do not release the child unless the primary parent gives us written permission if there is a primary parent. If there is no written permission the primary parent will be notified immediately.
- If a situation should arise in which Juvenescence feels that the safety of any staff or program participants is compromised, the Program Operator and the Authorities will be notified.
- In the event of a dispute between parents or with parents requesting information, the matter must be addressed through the appropriate legal channels.

**If a non-custodial parent removes their child from the program illegally, in conflict with the existing Custody agreement, staff would:**

- Call 9-1-1
- Notify the custodial parent.
- If the custodial parent is unreachable, contact emergency contacts.
- Report to Licensing immediately and follow their direction regarding incident reporting.
- An Incident/Accident report to be completed by staff.

## Safe Pick up

### Purpose

To ensure the safety and well-being of all children in our care.

### Policy Statement

The safety of children is our top priority. If a parent or guardian arrives to pick up a child and appears to be under the influence of alcohol or drugs, the following procedures will be followed to ensure the child's safety and maintain a positive environment for all families.

### Procedures

- **Assessment and Intervention**  
Staff will discreetly assess the situation and may speak with the parent/guardian about their ability to safely transport their child.
- **Facilitating Safe Transportation**  
If it is deemed unsafe for the parent/guardian to drive, staff will assist in arranging alternate transportation (e.g., contacting a sober friend, family member, taxi, or ride service).
- **Mandatory Reporting**  
If staff believe that a child's safety is at risk, we are legally mandated to contact the appropriate authorities to ensure the well-being of the child.
- **Program Environment**  
The presence of alcohol or drug odours can cause concern among other families, including those visiting the program for tours. Juvenescence is committed to maintaining a safe, welcoming, and professional environment at all times.

### Conclusion

Juvenescence is dedicated to protecting children while supporting families through difficult situations. We appreciate your cooperation in helping us maintain a safe and positive community for all.

### Late Pick Up

If you will be late for any reason, contact the Centre immediately.

If a child is not picked up by 6:30 pm and parents cannot be reached, children's services will be contacted and Social Services will arrange to take the child into custody until parents can be located.

### First Aid

If a child becomes injured, a staff certified in First Aid/CPR will conduct an assessment and parents will be contacted. Juvenescence staff are not medical experts and recommend that seriously injured children be taken for medical assessment.

### Procedure

1. Assess injury and administer appropriate first – aid.
2. If the child requires EMS, place call.
3. Call parent to inform of a serious injury.

## Severe Weather/Natural Disaster

Severe weather resulting in emergency procedures being required is rare, all Juvenescence phones have the Alberta Emergency Alerts app installed to notify program staff of any weather emergencies.

When an alert is received:

- Information Alerts: follow instructions provided. Make way to cover if required.
- Critical Alert: Follow all lockdown emergency procedures. Director or Staff in Charge will follow specific AEA instructions. These instructions supersede Juvenescence lockdown procedures.

## Emergency Communications

When all children are safe:

- Call Program Operator
- If there is an emergency program closure, parents will be notified via email. Any families not responding that they are on their way within 10 minutes will be called.

Communication with outside sources will only occur if:

- Children and staff are safe.
- Staff have attended to the needs of all children.

## COMMUNICATIONS STANDARDS

Children thrive within families and communities that protect their health and safety, nurture, and respect them and provide opportunities for involvement with caring adults. Warm, supportive, and responsive interactions between adults and children help children feel safe and encourage a sense of self worth. Children who feel secure and valued are more likely to get along well with others, develop self – control and be able to benefit from opportunities and experiences that foster learning and safe exploration of their environment.

### Communication Practices

- Parents will receive a tour of Juvenescence and be introduced to the staff.
- Staff recognize that parents are and always will be the Primary caregiver for their child.
- Staff will provide regular feedback on each child.
- Staff at Juvenescence welcome your comments and concerns.
- Juvenescence maintains an Open-Door Policy at all times.
- Parents are invited and encouraged to join in any and all activities happening at Juvenescence.
- Parents are invited to participate in special activities during the year.
- We invite you to volunteer.
- Share your cultural celebration and special skills! We would love to have you as a guest presenter

### How We Share Information

Families will receive emails where you can find:

- Newsletter/Calendars
- Bi-Weekly Memo that includes photos, videos, and updates.
- Personalized observations on what your child is engaged in, including pictures and videos.
- Changes in staffing or program routines and policies
- Parent Handbook can be found on our website.
- The Parent Board will have information about the program, community and cultural events, resources for families, licensing information, and memos regarding changes to the program or policies.

### Parent Participation & Feedback

Parents are encouraged to offer their feedback regarding the program in a variety of ways:

- Speaking with one of the ECE's
- Email
- Family Nights
- Annual Parent Surveys

### Conflict Resolution with Parents

When a conflict arises. Juvenescence will make every attempt to work with the family to resolve the issue to their mutual satisfaction, provided the arrangement does not:

- Put Educators, the child, or other program participants at risk.
- Diminish the value of the Juvenescence experience for other participants.

All situations are dealt with on an individual basis, considering the specific needs and circumstances of the family. After consulting with the Operator, it may be determined that continued involvement in Juvenescence is not appropriate.

## RESPECT & KINDNESS POLICY

At Juvenescence, we are committed to providing the highest quality services and maintaining a safe, positive, and respectful environment for families and educators. In all communications it is important to assume good intent, we make mistakes but not on purpose and are receptive to any concerns you may have. All parents and guardians associated with Juvenescence are expected to adhere to the following principles of respect and kindness.

- Use polite, respectful language when communicating with staff.
- Refrain from using disrespectful or derogatory language, including profanity, offensive remarks, or personal attacks when discussing any concerns.
- Listen actively and attentively.
- Constructive feedback is welcome, with the intent of resolution, not blame.
- Questions and concerns are welcome for a prompt resolution to any concerns.
- Role model the importance of treating others with respect and kindness both in and out of the Centre.

***Juvenescence maintains a zero-tolerance policy for the mistreatment of our staff***

Juvenescence is dedicated to creating a supportive and respectful environment for all. By following this policy and demonstrating respect and kindness towards staff, parents contribute to the well-being and success of the Juvenescence Community. We appreciate your cooperation in upholding these principles and ensuring a positive experience for everyone.

## FINANCIAL & WITHDRAWAL POLICIES

### Monthly Fees

Upon registration, all fees are due and payable. It is your responsibility to ensure all payments are received. Your child fills one of a limited number of spaces, and your space must be paid for whether your child is present or not. Therefore, there is no exemption from fees for absence due to illness, vacation, or any other reason. No credits can be given for days missed.

- **\$100.00** initial registration
- **\$50.00** annual registration fee. Payable upon confirmation of a space for the next school term.
- **Fees are due on the 1<sup>st</sup> of each month and are payable by PAD** (Pre-Authorized Debit).
- Fees will not be prorated for any reason.
- Drop – In fees are to be prepaid at the beginning of each month for the requested dates. If your child is dropped off unexpectedly, drop – in fees for that day must be paid immediately or use of the service will be terminated.

### Non-payment of Fees

- We will work with families to develop alternate payment arrangements. Long-term or repeated default on fees will result in the services of Juvenescence being terminated.
- Fees not paid by day 5 of the grace period of the month are subject to having the family's enrollment suspended until all fees are paid in full of the addition of the \$30.00 late fee charge.
- Any fees in arrears for more than 30 days will result in termination of enrollment in the program until the balance left owing is cleared.
- A \$50.00 service charge will be charged on all NSF Cheques.

### Subsidy \*Grade 1 – 6 Only\*

The Alberta Family and Social Services Day Care Subsidy is available to parents who need assistance to help cover their childcare fees. Apply online at [applychildcaresubsidy.alberta.ca](http://applychildcaresubsidy.alberta.ca). Once the subsidy application has been approved, scan or forward email to [hello@juvenescence.ca](mailto:hello@juvenescence.ca) within 2 weeks of registering. All families with subsidies must provide PAD form for the difference between the currently approved subsidy allowance and the cost of their fee for each month registered.

Parents are responsible for having their child attend the required hours to meet their subsidy obligation. Any fees not covered by subsidy, will be the responsibility of the parent to pay.

Upon registration, the first month's fees are due in full, and a credit will be applied to your

account once the subsidy is confirmed and received. All future months will be billed at the parent portion required after subsidy. If withdrawing from care, the last month of care is payable at the full fee and a cheque will be mailed to the family once subsidy is received and hours required for care have been met.

### Deposits

Juvenescence deposit date is always the 1<sup>st</sup> of the month. Any payments made between or after these dates are deposited on the next deposit period.

### Lost Child

Parents are required to **contact the program if their child will be late or absent**. A child who does not come to the program after school is considered a **missing child**.

In an effort to locate the child, program staff will contact the parents and school. If the child cannot be located immediately, **we are required to call the police for a lost child. Parents will be charged \$75.00 if the police are contacted and the child is with the parent**. It is extremely important to contact the program if your child will be absent – our staff will look for them until we confirm their whereabouts.

### Late Pick Up

There are no provisions for early or late drop-off or pick-up. Parents/guardians should phone the Centre immediately if unforeseen circumstances prevent children from being picked up by closing. It is unfair for a staff member to have to keep their family waiting because someone is late, and it is unfair to your child who is expecting you.

A late fee of \$10.00 for the first 10 minutes or any portion thereof and \$1.00/minute for each additional minute will be charged for pickup of children after program closure. Late fees are per family and are payable to the program staff upon child pick-up. The parent will be issued an invoice for the extra time to be paid to the Centre within 24 hours.

If late pick-ups become a recurring issue, a three-strike policy will be implemented at the discretion of the Director. All incidents will be documented, and the Director will get involved to help reach a satisfactory resolution, which will culminate in a signed agreement between all parties. If a satisfactory resolution cannot be achieved, Centre services for that family will be terminated immediately.

### Tax Receipts

Receipts for fees paid during the year will be provided in February each year. For each Centre, your child has attended during the year you will receive a separate tax receipt.

### Withdrawal Policy

If a family chooses to withdraw from care at Juvenescence, a **Childcare Withdrawal Notice Form** must be submitted by the 1<sup>st</sup> of the month to have care terminated by the last calendar day of that month. Any requests for withdrawal not submitted by the 1<sup>st</sup> of the month will not be able to terminate care for that month. Any form submitted after the 1<sup>st</sup> will be considered notice for the end of the following month. Failure to notify the program prior to August 1<sup>st</sup> that your child will not be attending in September will result in a charge for September fees.

# FORMS

## CHILDCARE WITHDRAWAL NOTICE

### WITHDRAWING CARE

If a family chooses to withdraw from care at Juvenescence, a *Childcare Withdrawal Notice Form* must be submitted not later than the 1<sup>st</sup> of the month to have care terminated by the last calendar day of that month. Any *Childcare Withdrawal Notice Form* received after the 1<sup>st</sup> will not be able to terminate care for that month. Any form submitted after the 1<sup>st</sup> will be considered notice for the end of the following month. No refunds for the initial deposit or current month's fees will be given.

### **Complete this form and return it to the Program Director**

If you have any further questions, please contact your Juvenescence program.

**This is to advise Juvenescence, that I, \_\_\_\_\_, am withdrawing my child, \_\_\_\_\_ from (Centre Location) \_\_\_\_\_ effective \_\_\_\_\_.**

### **Feedback**

*Reason for withdrawal (optional, this feedback helps us improve)*

---

---

---

How has your child benefitted from his/her experience at this Centre? \_\_\_\_\_

---

---

In what ways could we improve the program to better meet your child's or family's needs?

---

---

### **ADMINISTRATION ONLY**

Date Received: \_\_\_\_\_ Offboarding Date: \_\_\_\_\_

PAD Information Deleted: \_\_\_\_\_ or cheques returned: \_\_\_\_\_  
(mm/dd/yy) (mm/dd/yy)

## EPI – PEN POLICY

(Please print double-sided and return to the Centre)

If an Epi-Pen is required due to severe allergy a parent or legal guardian must fill out an Epi-Pen Notification form before this medication would be administered by Juvenescence staff.

Epi-Pens will be used in a controlled manner by the direction of EMS and with written parental consent. Epi-Pens are to remain with the child, or within proximity when appropriate, while in the facility or site.

Responding staff will be provided with appropriate instruction on Epi-Pen use upon recommendation from the Calgary Health Region.

### **Protocol For a Severe Allergic Reaction**

1. Contact EMS immediately
2. If the child has an Epi-Pen, direct the child to use the Epi-Pen upon recommendation from EMS dispatchers.
3. Record the time of Epi-Pen administration.
4. Make the child comfortable, providing any additional care that may be required until EMS arrives.
5. Contact parent and/or emergency contact
6. If the child is unable to use the Epi-Pen, trained Juvenescence staff will administer the Epi-Pen to the child upon direction from EMS dispatchers.

## Epi – Pen Notification Form

The collection of the following information is to notify Juvenescence staff of a severe allergy for your child and to notify you, the parent, of procedures that will be enacted for your child while at Juvenescence.

Child's Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_

Address: \_\_\_\_\_

Parent/Guardian: \_\_\_\_\_ Phone: \_\_\_\_\_

Parent/Guardian: \_\_\_\_\_ Phone: \_\_\_\_\_

Emergency Contact: \_\_\_\_\_ Phone: \_\_\_\_\_

My child is allergic to:

---

---

---

General symptoms of the reaction:

---

---

---

---

I, \_\_\_\_\_, give permission to staff of Juvenescence to administer **1 dose** of \_\_\_\_\_ to my child in the event of an allergic reaction and as advised by EMS.
