Helpful tips & camp questions answered

Is someone else picking up your child?
Email us with the person's first and last name. We will ask for ID to verify before releasing your child.

Label all belongings
To help us get them back to their owner. We will do our best to help your child keep track of their belongings but are not responsible for items that are lost.

Does your child require medication?
Any form of medication administered while at Juvenescence requires a medication form to be signed and the medication to be given to the staff. **ALL MEDICATION - this includes inhalers and EpiPens must be stored out of reach of children** and are required to be in the original labelled container.

Changing payment dates
If you are unable to pay your fees on the first of the month, please contact the Program Director - we are happy to move your payment to the next payment date. This saves us work and you a $50 NSF charge.

Secure Facility
When dropping off or picking up, ring the doorbell and a staff will let you in. For the safety of everyone, please do not hold open the door for another parent, we like to know who is entering and exiting our facility.

Not coming today?
That's ok - just call the Centre and let us know not to wait for you so we can start our activities! Alternately, **IF YOU**
