

2025 Annual Report

What a year! 2025 saw success and growth for Cat Action Team; but like many animal welfare organizations today, we were not without challenges: rising veterinary and food costs, more clients and colonies in need, and an uptick in demand for pet food and basic veterinary services. Nevertheless, CAT continued to provide help to the cats and people of our central Virginia community in 2025, and we could not have done it without you!

Thank you for supporting CAT!

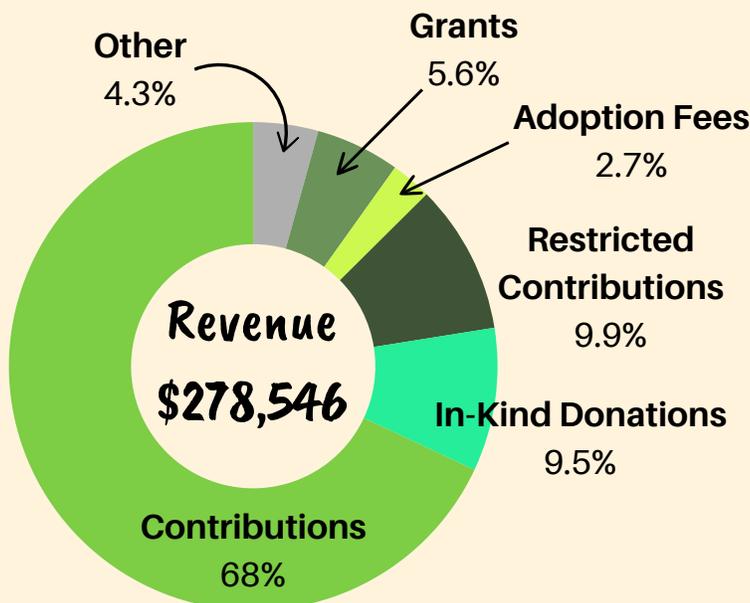

Spay/neuter and adoption numbers vary per month as funds, number of fosters/adopters, and vet appointments are available.

2025 Annual Report

FINANCIAL SUMMARY

2025 saw steady growth in terms of CAT's revenue streams. We launched our Sponsor-A-Colony program, began tracking professional service hours as in-kind donations, and more than doubled our expected in-kind food donations. Thank you to all of our amazing donors, sponsors, and supporters!

"In-Kind Donations" includes the calculated value of donated professional service hours (such as from veterinarians) and donated pet food.

"Other" includes miscellaneous revenues such as from premiums, interest, corporate giving programs, and more.

2025 also saw an increase of CAT's program expenses. Our intake rate into the TNVR program continues to rise, resulting in larger veterinary bills. More clients and caretakers contacted us this year for help with providing cat food to pets and colonies in need. Thank you to all of our incredible volunteers, partners, and veterinary professionals!

"Admin" includes miscellaneous expenses such as office supplies purchases, insurance payments, IT needs and software, and more.
