**IMPORTANT NOTE**

The measurements listed in the below charts are body measurements (in inches), not garment measurements. If your body measurement is on the borderline between two sizes, order the smaller size for tighter fit or the larger size for looser fit.

**How to Measure:****Bust/Chest:**

With arms relaxed at sides, measure around the body at the fullest part of the bust/chest, keeping the tape parallel to the floor.

**Waist:**

Measure around the body (not on top of clothing) at the natural waist level.

**Hip:**

With feet together, measure around the fullest part at hip level, keeping the tape parallel to the floor.
