Description

One of the Cleanest boats we have ever seen in a long time she is that nice inside and out! Gel coat, soft goods, woodwork, tower, upholstery all look new. Fish rigged beauty not fished to death, Tiara quality, Tiara and Pursuit are the same company, Rare to see a boat this nice. All the right options, we have High resolution pictures upon request this site makes pictures look awful. Low hour 380 HP Volvo diesels make her fast and efficient, 26 Knot cruise 31 Top end, green hull is really sharp, tuna tower with VHF and Auto Pilot in Tower, rocket launchers, spreader lights, Complete compliment of killer Furuno electronics, windless, remote spotlight, tackle center, offshore fuel capacity. low hour genny, air conditioning with reverse cycle heat, teak and holly sole in cabin, She is no repo, we only buy super clean late model boats, she was well maintained by a very fussy owner who spared no expense on maint, new elbows and cooling system updated with a lot of new components. Maintained with an open checkbook mentality. Good luck trying to find a boat this clean anywhere!

Price is Super Firm No exceptions

Red Line Marine Disclaimer

Red Line Marine Liquidators is a wholesaler that offers good clean used boats below market value, we don't buy bank repos or insurance boats, we buy super clean late model boats only, these are dealer trade ins on new boats. We do not negotiate because we have very low margins, we encourage buyers to hire a SAMS or NAMS accredited marine surveyor before closing on a purchase, we will address major issues only, issues over 2500 dollars, small items will not be repaired, if that type of service isn't for you, please call a retailer, they have the margins to deal with all the little petty items we don't. You will pay substantially more for the same boat but if that appeals to you go for it. These are not distressed boats, again we only super clean late model boats.

Pursuit 3400 Express 1997-2003

Offshore fishing machine came with top-shelf amenities serious anglers expect in a Pursuit product. Wide 12' beam allows for very roomy cockpit, spacious accommodations. Original centerline-helmdeck layout was replaced in 1999 with conventional bridge-deck layout featuring L-shape opposite helm. (Interior was also redesigned in 1999.) Cockpit amenities include transom fishbox, in-floor fishbox, tackle locker, livewell. Note wide side decks, good engine access. Cummins 37hp diesels cruise in the mid 20s (30+ knots top).
