The Florida Wind Band

OUR MISSION

The Florida Wind Band is committed to engaging and inspiring the community through exceptional live performances of wind band music while providing meaningful performance opportunities for youth. As a 501(c)(3) non-profit organization, we proudly showcase both adult and youth ensembles, offering talented musicians of all ages a platform for artistic expression.

Our flagship adult ensemble, composed of the region's most accomplished professional musicians, is the heart of our organization. In addition, we are honored to support Bay Area Youth (BAY) Winds, the Tampa Bay area's premier wind ensemble for exceptional middle and high school students. BAY Winds offers young musicians the opportunity to perform in a high-caliber setting, further developing their skills and deepening their passion for music.

OUR MUSICIANS

The Florida Wind Band is made up of some of the most talented wind and percussion musicians in the Tampa Bay area. Our members, each holding degrees in music, are dedicated professionals who serve as educators in local schools and universities, as well as freelance performers across Florida. These musicians generously volunteer their time and expertise to our organization, united by a shared love of wind band music and the joy of creating exceptional live performances for our community.

OUR VISION

Our vision is to become the premier professional wind band in the Tampa Bay area, recognized for our excellence in music, education, and community engagement. With the unwavering dedication of our volunteers and the support of our generous donors, the Florida Wind Band continues to grow and thrive. We invite individuals, families, and businesses to join us in sustaining this important cultural resource by contributing in a variety of ways.
