Our History

Wind bands are an integral part of American history and culture. From circuses to military ceremonies, concerts in the park to concerts in Carnegie Hall, bands have provided Americans with entertainment and artistic enlightenment for generations. From the great touring professional bands of the 19th and early 20th centuries to the outstanding high school and collegiate ensembles that have entertained the country since World War II, wind bands have long captured the hearts and imaginations of audiences across the country.

Outside of our country's wonderful military bands, there are currently no full-time professional wind bands in America, so when John Carmichael moved to Tampa in 2007 to become the Director of Bands at the University of South Florida, he came with the goal of rectifying that situation. He believed that the Tampa Bay area has the unique ability to support such an ensemble, and he spent the next 11 years until his retirement working tirelessly to bring this dream to fruition.

The **Florida Wind Band** is now Tampa's premier wind band, bringing entertaining and inspiring performances of high-quality music to our vibrant and engaging community. The ensemble is comprised of professional musicians which include K-12 teachers, college professors, and full-time performers who have a deep love for the eclectic repertoire ranging from Bach to contemporary composers. The band is led by USF's Director of Bands, Matthew McCutchen, who is dedicated to programming music that will make audiences laugh, cry, dance, and wonder.

Dr. McCutchen and the Florida Wind Band, Inc. founded **Bay Area Youth (BAY) Winds** in 2011 as Tampa Bay's premier outlet for middle and high school students to receive exceptional performance opportunities for intermediate and advanced student musicians. Student participants come from all over the Tampa Bay Area including Hillsborough, Pasco, Pinellas, Polk, and Hernando counties. A few years later with the excitement and opportunities provided through BAY Winds, **Summer Breeze** was founded and meets annually in the month of June to provide an opportunity for BAY Winds students and alumni to rehearse and perform in the summer. Summer Breeze regularly welcomes 60-80 musicians back to their joy of playing an instrument in a relaxed and enjoyable setting. This opportunity offers musicians the unique ability to rekindle old friendships, dust off their instruments, be surprised at how many fingerings they remember, and return to the joy of making music purely for fun, culminating in a joint performance with the Florida Wind Band on an annual Independence Day concert at Carrollwood Village Park. In the Fall of 2023, **Autumn Winds** was introduced as a youth ensemble offering for middle and high school band students under the direction of conductor and Florida Wind Band musician, Dr. Brian Panetta. Our educational out reach ensembles now provide opportunities for the area's youth musicians yearlong.

Since its debut in 2008, the Florida Wind Band has entertained thousands of people, including prestigious performances for the American Bandmaster's Association, the College Band Directors National Association, and the Florida Music Educators Association Convention. We look forward to many more years of inspired music-making and hope you will join us in these endeavors.

Our Mission & Vision

The mission of the Florida Wind Band is to entertain and inspire the community through live performances of high-quality wind band music, while providing enhanced youth performance opportunities.

As a non-profit organization, The Florida Wind Band encompasses adult and youth wind ensembles aimed at providing talented local musicians of all ages a musical outlet for performance. In addition to our primary adult wind ensemble comprised of the area's top professional musicians, the Florida Wind Band is the parent organization to Bay Area Youth (BAY) Winds. BAY Winds is Tampa Bay's premier outlet for outstanding students to perform in high-caliber wind ensembles aimed at providing additional performance opportunities for the area's top middle and high school students.

The Florida Wind Band is comprised of many of the finest wind and percussion musicians in the Tampa Bay Area. All of our members have music degrees, and the vast majority of our musicians work as full time musicians either teaching in the area's public and private schools and universities, or as freelance performers throughout Florida. The musicians volunteer their time and accomplished talents to our organization for their love of wind band repertoire, live performances, and the camaraderie that comes along with making music at the highest level for our community.

Our vision is to be the premier, professional wind band in the Tampa Bay Area. Our ensemble continues to grow and thrive by the selfless work of our volunteers and generous support from donations and sponsorships within the community. There are many ways you can make a contribution to support our mission and vision. You can become a monthly donor or make a one-time tax-exempt donation at www.floridawindband.org. Tiered sponsorships are also available for corporations, individuals, and families.

Thank you sponsors, donors, and community supporters!

Support Today

On behalf of the Board of Directors, we sincerely appreciate your attendance at our concerts, loyal patronage, and generous giving. Thank you for your continued support in bringing high-quality wind band music to the Tampa Bay community.

The Florida Wind Band continues its concerted efforts to perform in venues throughout Tampa Bay. As a 501c3 non-profit organization, our operations require funding for facility fees, transportation costs, music expenses, insurance payments, and the many other expenditures associated with delivering entertaining concerts and educational outreach, averaging \$3,500 per concert production.

There are many ways that you can support the Florida Wind Band and our mission. You can make a one-time donation, choose a tiered sponsorship that supports our organization all season long, sponsor an instrument chair, or fund an entire concert production for the upcoming season. Tax-deductible sponsorships are available for corporations, businesses, individuals, and families by visiting our website at www.floridawindband.org or by scanning the QR code below. Community members also enjoy getting involved and being a part of the magic that is bringing the music to life. Join our Volunteer Guild or consider joining our Board of Directors. Scan the QR codes to be directed to an area that solicits your desired way of giving and support.

Your contributions will allow us to continue bringing high-quality music to our community this season and invest in sustainability for our future success and continued development. Tiered sponsorships are available for corporations, individuals, and families. In addition to the prestige associated with sponsorship of the arts, an enhanced corporate image will be driven by brand recognition and patron support. The Florida Wind Band offers visibility with sponsorships through monthly communications, advertisements in our concert programs, and promotional materials including flyers and social media. Consider a sponsorship level that reflects your investment and passion for the success of our organization's mission.

Announcing Season 17

Welcome to a season full of anticipation and energy as we showcase our exceptional Florida Wind Band musicians in an exciting line-up of programming that will enthrall, entertain, and educate our community through live performances of high-quality wind band music. We invite you to experience our diverse concert offerings including our masterworks series, traditional patriotic, holiday, and indoor pops concerts, as well as our new "Lights Out" Chamber Series.

The "Lights Out" Chamber Series will take place in the beautiful sanctuary at Palma Ceia Presbyterian Church with intimate lighting, allowing you to experience live classical music in a completely new way. Also featured on this series will be welcomed community guest speakers that you will not want to miss, telling timeless tales that will allow you to escape from the hustle and bustle of daily life into an aural adventure in a world of wonder.

We thank you for your attendance, patronage, and support. Everything we do both on and off the stage is possible only because of our generous donors. We are grateful for all gifts, large and small, as they keep the connection, service, friendship, and joy through music moving forward in our community. We all need music. And thanks to you, it will play on in Season 17.
