The Florida Wind Band

For the past 18 years we've been bringing exciting concerts to appreciative and growing audiences throughout the Tampa Bay area. Our concerts are filled with pieces that range from thought-provoking, to heartwarming to foot-tapping fun, and we are dedicated to producing performances that elicit joy, wonder, and a whole range of other emotions. We play an eclectic mix of music, from familiar, timeless classics to bold, intriguing contemporary composers, so every concert has something that everybody will enjoy.

The talented members of the Florida Wind Band include music educators, college professors, and full-time performers who are dedicated to putting on professional caliber concerts every time we take the stage. These musicians are Tampa treasures, and together they create programs that make our audiences experience the music in a way you simply cannot get from watching on a screen or listening to a recording. So, whether you're joining us for the first time or you've been part of our journey from the beginning, we invite you to be a part of the adventure. The music is just the beginning—together, we can make the entire experience unforgettable.
