# The Florida Wind Band

As we close Season 18 with *Resound and Rejoice!*, a celebration of power, brilliance, and expression, we end the year much like we began it, surrounded by music that reflects the full spectrum of our community. This culminating performance features the Florida Wind Band in an electrifying program of wind band masterworks, alongside the winner of the annual BAY Winds Student Concerto Competition, spotlighting the next generation of exceptional artistry. From our youngest BAY Winds musicians to our most seasoned professional performers, this concert embodies the excellence, dedication, and collaborative spirit that defined the entire season.

Season 18 has been a landmark year of growth across every level of the organization, artistically, educationally, and within the community. With expanded performance offerings, record attendance, sold-out concerts, growing donor support, and deepening partnerships across Tampa Bay, we have strengthened both our artistic impact and our educational mission. Our BAY Winds programs continued to flourish, serving hundreds of students through year-round ensembles, scholarships, mentorship, and performance opportunities that connect directly to our professional stage. (*Turns out people really do like live music!*)

As we look ahead, we are deeply grateful for the audiences, supporters, students, and musicians who made this season possible. Your energy and commitment continue to shape what this organization is becoming. Season 19 is already on the horizon, and we cannot wait to share what comes next!

# FLORIDA WIND BAND

CRAFTING SOUND — SHAPING CULTURE

## MISSION

The mission of the Florida Wind Band is to entertain and inspire the community through live performances of high-quality wind band music, while providing enhanced youth performance opportunities.

## VISION

At the Florida Wind Band, our vision is to be more than just Tampa Bay's premier wind band. It's to create experiences that bring people together, spark creativity, and inspire musical adventures that reach beyond the ordinary.

# SEASON 19 WELCOME

Dear Music Lovers,

We are excited to announce The Florida Wind Band's 2026–2027 season, "Crafting Sound, Shaping Culture." Our 19th year will feature bold and immersive performances that are a living reflection of community and shared experience. With concert themes ranging from patriotic to spiritual, and repertoire from the breathtaking, multi-media "Blue Marble," to the monumental "Pictures at an Exhibition," this season weaves together world premieres, interdisciplinary collaborations, and culturally rich narratives. Through the expanding "Lights Out" chamber series and deepening educational partnerships, the organization continues its mission to connect audiences of all backgrounds to the transformative power of wind music.

To launch this exciting season, the Florida Wind Band will host its inaugural benefit fundraiser on October 29, 2026, at the Tampa Museum of Art. This special evening will bring together supporters, artists, and music lovers for a night of live performance, philanthropy, and camaraderie in support of the ensemble's artistic and educational initiatives. Guests will interact with our musicians, learn more about our vision, and have the opportunity to help the organization reach our goals of expanding access to music education, sustaining professional musicianship, and ensuring the continued growth of a vibrant cultural institution in the Tampa Bay community.

Sincerely,  
Matt & Tony

**Matthew McCutchen**  
Music Director

**Tony Negron**

## WIND ENSEMBLE SERIES

Since 2008, Tampa Bay's leading professional wind ensemble has inspired audiences with vibrant performances and unwavering musical excellence. Featuring exceptional woodwind, brass, and percussion musicians, we bring classical masterworks and contemporary works to life in powerful concerts that excite, move, and connect our community.

## "LIGHTS OUT" CHAMBER SERIES

The "Lights Out" Chamber series is an intimate concert utilizing a small ensemble of talented musicians. We dim the lights and allow the music and mythic storytelling to draw listeners into wonder. Each performance blends narration and atmosphere, inviting audiences to listen and experience music through imagination.
