The Florida Wind Band

OUR MISSION

The Florida Wind Band is committed to engaging and inspiring the community through exceptional live performances of wind band music while providing meaningful performance opportunities for youth. As a 501(c)(3) non-profit organization, we proudly showcase both adult and youth ensembles, offering talented musicians of all ages a platform for artistic expression. Our flagship adult ensemble, composed of the region's most accomplished professional musicians, is the heart of our organization. In addition, we are honored to support Bay Area Youth (BAY) Winds, the Tampa Bay area's premier wind ensemble for exceptional middle and high school students. BAY Winds offers young musicians the opportunity to perform in a high-caliber setting, further developing their skills and deepening their passion for music.
