Spring BAY Winds Enrollment

BAY Winds offers motivated middle and high school band students the opportunity to grow musically through high-level ensemble experiences. Under the direction of accomplished professional musicians and educators, students rehearse and perform challenging, rewarding repertoire alongside peers from across the Tampa Bay Area. Placement is based on a spring audition into one of two ability-based ensembles: Symphonic Winds for intermediate students, and the Wind Ensemble, which performs collegiate-level works for advanced musicians. Join us and take your musicianship to the next level!

The Florida Wind Band

Since 2008, we've been sparking excitement, inspiring creativity, and sharing the joy of music with our vibrant community. With performances that range from heartwarming to foot-tapping fun, we bring the kind of music that makes you laugh, cry, and, most importantly, feel alive.

Our talented ensemble is made up of professional musicians—including K-12 educators, college professors, and full-time performers—who bring their passion for music to life every time we take the stage. We play an eclectic mix of repertoire, from timeless classical pieces to the bold sounds of contemporary composers, under the direction of USF's Director of Bands, Matthew McCutchen. He's dedicated to crafting programs that make our audiences not just listen, but experience the music.

So, whether you're joining us for the first time or you've been part of our journey from the beginning, we invite you to be a part of the adventure. The music is just the beginning—together, we can make it unforgettable.
