

Retirees Association of Suffolk Community College Old Picture Project Set 3

These pictures are from the Ammerman Campus Library Archives. The members of RASCC were ask to identify those in these pictures. Many members responded, having fun recollecting memories of colleagues from long ago. If you recognize people in these pictures, please let us know so this set and all future sets will be as accurate as possible.

When this project is completed, RASCC will give to the Ammerman Campus Library a digitalized copy of every picture and a PDF copy of each set of pictures with the names of many of those in the pictures.

Pete Herron,
Professor Emeritus, Mathematics, Ammerman Campus
