

Give Back Boutique

478 D Williamson Road, Mooresville, NC 28117
(704) 663-3677

Standard Consignment Agreement/General Guidelines

Consignment and/or Donations: The Give Back Boutique accepts consignments and outright donations. 100% of net profits benefit families in need in the Lake Norman area through the *Mooresville/Lake Norman Christian Mission*. If you choose to donate, we will happily provide a receipt for tax purposes.

Terms of Consignment: Consignor receives 40% of the selling price after the items sell.

How it works: We would like you to have the best consignment experience possible. To keep our boutique fresh and fashionable, we have established the following guidelines: All clothing, should be current (no older than two years), in excellent condition, i.e., free of stains, pulls, holes, worn cuffs and missing buttons. It should be clean, free of smoke and other odors, pressed and on hangers. Shoes must be in nearly mint condition and current in style. Non-clothing items must be in good condition, i.e., no cracks, chips, missing parts, etc. Our staff will sort your items to determine what we can consign. Any items that we feel we cannot consign will be given back to you, or, you can choose to donate them to the Christian Mission and receive a tax receipt. *There may be times that we miss something at first glance and later while tagging determine the merchandise is not appropriate to sell i.e. Stains, tears, pulls etc. These items will be donated to the Christian mission without prior notification to the consignor.*

Pricing: All prices and discounts are based on current market trends as determined by Give Back Boutique staff. A handling charge will be added and is paid by the buyer at the time of purchase. Items are 20-50% off after 30 days. In addition, the price of any item may be reduced at any time to facilitate a sale.

Consignment Period: We will display your items for 60 days unless they are seasonal. All items unsold beyond the 60 day period will automatically become the property of the Boutique ***unless you pick them up between day 50 and day 60 of the contract period.***

Consignment Payout: Payments are made for account balances that are \$40 or over at the end of the month. **You will be notified via email if a payment is being made to you during the month.** Amounts under \$40 will stay in your account and can be used as store credit or gift card purchases. **If payment is made by check and not cashed within 120 days of issue date monies will be considered a donation to the Mooresville Christian Mission and used to help those in need in our community.** A \$35 check fee will be charged for lost checks (if payment was made by check) that need to be reissued before the 120-day expiration date.

Held Harmless: Consignor agrees that The Give Back Boutique is not responsible for items lost, stolen or damaged.

By signing this agreement, you are agreeing to all terms provided in this contract. Please read carefully before signing to avoid misunderstandings.
