ACKNOWLEDGMENT OF RISK

I understand that boating, offshore travel, and sport fishing involve inherent risks that cannot be eliminated. These risks include, but are not limited to, rough seas, changing weather, vessel movement, slips and falls, falling overboard, drowning, seasickness, collision, grounding, equipment failure, and injuries involving fishing gear, fish, marine animals, or other persons. I understand that fishing trips departing from Bodega Bay may operate significant distances from shore and from emergency medical services, and that weather, sea conditions, and offshore location may delay emergency response. I voluntarily choose to participate in this fishing charter and knowingly accept the inherent risks associated with boating and offshore fishing.

PASSENGER RESPONSIBILITIES

I agree to follow all instructions provided by the Captain or crew and understand that the Captain has final authority regarding vessel operation, weather-related decisions, fishing activities, navigation, and passenger safety. I will not engage in reckless, dangerous, disruptive, or unlawful behavior and will immediately report any injury, emergency, unsafe condition, or person-overboard situation. I understand that personal property brought aboard may be damaged, lost, or exposed to saltwater and weather conditions. If I become unable to communicate due to illness or injury, I authorize the Captain and crew to seek emergency medical assistance when reasonably necessary. I am responsible for complying with all applicable California fishing-license requirements and fishing regulations.

I HAVE READ AND UNDERSTAND THIS AGREEMENT.

I understand that boating and offshore fishing involve risks that may result in serious injury, illness, property damage, or death. I have had the opportunity to ask questions and voluntarily choose to participate.
