Subject: A Look at Financial Modeling: article and workbook

Message:

I recommend everyone takes time to review [A Look at Financial Modeling: article and workbook](#). I had the pleasure in my role as Editor in Chief of *Strategic Finance* of working with Mr. Tamer Ahmed on the Models and article and think you will find them interesting and valuable.

Description

Please enjoy this article and workbook which contains models I have developed through my career in costing, cost control, financial analysis, budgeting, and financial management. As a CMA, I find them particularly helpful, and hope you do too!! Let me know what you think.

Regards,

Tamer Ahmed, CMA
