

FREE TELEHEALTH SOLUTIONS

FOR NEW PROVIDERS & FACILITIES

IN THIS TOGETHER

We'd like to help the medical community. We are offering free telemedicine solutions till September. Sign up and begin offering eVisits to your patients within hours. With no cost now and no obligation to buy after the free period.

Technology Platform

Blum Telehealth is our technology partner. It's already the eVisit choice for many medical practices, hospitals and nursing homes nationwide.

Easy to Implement

Sign up and implementation takes just a few hours. Patients and referring physicians can easily sign up on Blum and connect with you.

FREE

No Obligation to Buy

We are waiving all monthly fees and transaction fees until 9/13/2020. No obligation to buy at the end of free period.

ABOUT US

Fossil Creek Practice Management helps doctors in private medical practices across the U.S. With a mission of driving profitability of medical practices and helping practices thrive, we specialize in practice process improvement, revenue cycle optimization, practice marketing and business support.
