

AMERICAN & AFRICAN YOUTH LEADERSHIP FOUNDATION

Non-Profit 501C 3 Organization Founded in 2010

Dear Future Partner,

Why Your Company Should Partner With (AAYLF) A Nonprofit Organization

We are a nonprofit organization, 501 C 3 founded in 2010.

Our mission is to empower vulnerable girls through education. We raise funds to give scholarships to help girls escape child marriages and stay in school instead of getting married. They are GIRLS not BRIDES.

I am inviting you and your company to partner with us. **This partnership will bring a win-win situation all around.** When you partner with us, you are not only giving back, but also, all of our members, volunteers, sponsors and other companies will get to know about you and your company, therefore, creating more connections.

Partnering with AAYLF gives you and your company employees an opportunity to volunteer at our events. This is a great way for your staff to go out, have fun and do something for the greater good and also build stronger relationships. You can also get a chance to be a speaker at one of our events. Your company will be seen as a company that cares for people, (in our case) for vulnerable girls. This will set your company apart from other companies.

By partnering with AAYLF, you will be helping us bring awareness for our cause to the community. This will help us reach more people which will help us get more people to sponsor our vulnerable girls.

By partnering with us, we bridge the gap between big businesses and people. You will give AAYLF an opportunity we may not have otherwise. Without adequate funds, its next to impossible for us to put on a big event. So, by partnering with us and cover some of our costs, you are helping us create the event that we need to create which in the long run will help us help more vulnerable girls.
