### EXEMPTIONS

- A player physically moves residences, and their new residence is within a new BGYFL town or park district boundary. (The player can stay with his/her base franchise OR they can switch to the franchise that falls under the boundaries of their new residence.)
  
- A new franchise is admitted to the BGYFL and the player's current residence resides in the newly admitted franchise's town boundary or park district boundary.
  
- The player's current franchise will not be fielding a team at the player's age and/or weight class.
  
- A player will be allowed one change of franchises between his/her 4<sup>th</sup> and 8<sup>th</sup> grade season in order to align himself/herself with the boundaries of their future high school that they will attend or a new Middle School/Jr. High located in a different BGYFL franchise boundary. (There will be no flipping back and forth – one exemption for one move. You cannot go back under this exemption anytime in your BGYFL career.)
  
- The BGYFL strongly encourages players to remain with their base franchise. An Executive Exemption is intended for **exceptional circumstances only** and requires a clearly justified reason for transfer.
  - Both franchise Presidents **review and acknowledge** the transfer request, and
  - At least one of the Presidents provides a **written recommendation** (approval or denial), and
  - The request is submitted to the **BGYFL Executive Board** for final review and approval.

The Executive Board retains full discretion to approve or deny the transfer based on the merits of the request. Supporting documentation and rationale may be required.

If a player transfers franchises and does not meet one of the above five exemptions, then the player will NOT be allowed to participate in any BGYFL sanctioned post-season play. A signed transfer form must be presented to the executive board and cross referenced to the FINAL LAMINATED ROSTER by week two of the regular season. If a player does not have a fully signed transfer form on record with the BGYFL AND a confirmed "Yes" on the laminated roster (by week two of regular season) then the player will not be allowed to participate in playoff/super bowl games. Illegal participation, verified by the executive board, in playoff/super bowl games will cause the player's team to forfeit all post season play. Going forward your base franchise is the franchise you played for in the prior season.

- NO EXEMPTION – PLAYER WILL NOT BE ELIGIBLE FOR 2026 PLAYOFFS OR SUPER BOWL.
