Tools for Understanding Emotions

ONE PEDAL AT A TIME  
MOVEMENT

Hello!

My name is Lonely and I am glad you found this DBSA Mood Crew workbook! My friends and I created this workbook for children to better understand emotions. The DBSA Mood Crew has a lot of experience with emotions, so we put our heads together to create games, worksheets, and activities that will illustrate what we are all about.

Adults may find these activities and games helpful tools to start talking about emotions with children. (Adults have fun with this, too!) If you have ever met my friend Angry, you'll know that some emotions can be difficult. However, once you get to know Angry better, you might realize that we all feel that way sometimes. The DBSA Mood Crew wants everyone to know that it is okay to feel all kinds of emotions. The more you get to know us, the better you will be able to recognize who we are and when you feel like we do.

I am really not great at making friends, so I hope it's not too forward to ask if you'd join me in exploring this DBSA Mood Crew workbook. If you are ready, come and get to know us better!

With Feeling,

*Lonely*

# Forgetful Footwear

Calm

Hey Worried, do you want to color with me at my desk?

No, I don't think I can.

Why? What's going on?

I left my gym shoes at home and I'm scared that I'm going to get in trouble because I won't get to participate in PE class.

Oh, I see.

I'm going to get in real trouble when the teacher finds out.

Have you forgotten your gym shoes before?

Yes.

Did you get in trouble then?

No. But my teacher said that if I forgot them again, I'd get detention.

And you don't want to get detention.

No.

Yeah, nobody wants to get detention, I guess.

Oh geez, now I'm really worried!

Hey Worried, I know detention doesn't feel good, but it won't last forever.

My teacher is going to be so mad.

Worried

## Forgetful Footwear

Worried

Calm

Your teacher just wants you to be able to participate with the class so you can have fun and learn new things.

You are right.

Can you think of a way to remember your shoes for the next time?

At night before I go to bed, I can put them in my bookbag.

That sounds like a great idea!

I'll give it a try!

Ok. Are you going to talk to the teacher now?

Yes. I'm scared, but I'll do it.

Good. You can color with me after you get back.

### Questions for learning:

- ☐ Have you ever been in **Worried's** shoes before?
- ☐ How did **Calm** help **Worried**?
- ☐ Do you have someone that helps you like **Calm** helped **Worried**?

# Let's Stay Together

Happy

Hey, what are you two doing sitting over here? The rest of us are putting together a puzzle at the table. Do you want to join us?

Sad

No. It's no use trying to do anything.

Go on, Happy, we'll just keep each other company for right now. Sad is my only friend.

Maybe forever.

Hey, Sad. Nothing is forever.

It feels like it's always like this. Always.

Happy, it's no use.

Maybe if you joined us at the table, you would feel better.

I could go with you, but then Sad would be... lonely.

It's ok. You can leave me to play with Happy. If you want.

Are you sure?

No.

Well gee whiz, Sad.

You two seem to be stuck together.

We are related.

You two look a lot alike.

## Let's Stay Together

Happy

It's our eyebrows.

Yes, that's what it is.  
Hey, I have an idea!

Oh no, I'm afraid it won't  
be a good one.

Not good enough to fix how  
bad we are feeling right now.

Oh, I don't want to fix  
you two. You're not broken!

But, we can't even get out of this corner.

It's ok, for now. You  
won't always be here.

We won't?

Of course not!

How do you know?

Well, because I've seen  
you two other places...  
on the playground...

You're right.

I guess we're not always  
in this corner.

How about I sit here with  
you for a little bit.

I like you sitting here with us.  
Don't you, Sad?

Yes. I like talking to you, Happy.

Being with others  
helps us sometimes.

I do feel less alone now.

Maybe doing a puzzle would  
help us even more...

Let's give it a try!

# The Smoosh Factor

Confident

Hey Angry, how come you're not eating your lunch?

I am angry!

I know! I'm Confident!

This is no time for jokes, Confident!

Ok, ok. Sorry. Yes, let's be serious. Why are you upset?

My mom put a banana in my lunch and she knows I don't like bananas.

Oh I see. Maybe your mom forgot that you don't like bananas?

...maybe.

My mom puts bananas in my lunch because she wants me to eat fruit.

But you like bananas. I do not!

That's true.

See? Maybe you would be angry just like me if you didn't like them.

Maybe.

Bananas are smooshy and gross.

Do you like other kinds of fruit?

Some.

What kinds do you like?

Oranges.

Any other kind?

Angry

## The Smoosh Factor

Confident

Pears.

And...

Apples.

Hey, I have an idea!

What?

What if you told your mom  
that you don't like bananas  
because they're smooshy...

Ok...

And then you can tell her  
about all the other fruits that  
you like to eat!

Do you think she would  
put apples in my lunch instead?

I don't know. But, you  
won't know until you ask.

That's true.

Fruit is nutritious.  
It's cool that your mom  
wants you to eat fruit.

You think my mom's cool?

Yeah.

She is pretty cool, I guess. Thanks, Confident.

Angry

### Questions for learning:

- ☐ What would you have done if you were **Angry**?
- ☐ How did **Confident** help **Angry**?
- ☐ Can you think of a time you were angry and upset?
- ☐ **Confident** suggested to **Angry** to talk to her mom about what made her upset. Can you think of a time when you were able to talk to someone who made you angry?

# Tripping into Confidence

Embarrassed

Confident, can I talk to you for a second?

Sure, Embarrassed. I love talking to you!

You do?

Well, yeah. I think you're great!

Oh. Well, ok.

What's up?

This is hard for me to say.

I'm listening.

I'm embarrassed because I tripped over my shoelace in front of everyone and they all laughed at me.

How does that make you feel?

I feel bad about myself.

I'm sorry you feel bad about yourself.

Me too.

But hey—sometimes I do things that I get embarrassed about, too.

Really? Like what?

One time at lunch I spilled ketchup all over my shirt. It was a mess! Everyone was laughing at me.

That is embarrassing! What did you do?

I made a joke! I said, "Hey, everyone, it looks like my shirt likes this ketchup as much as I do!"

What did everyone do after you said that?

They all laughed at my joke instead of my clumsiness.

Confident

## Tripping into Confidence

Confident

Oh. I wish I could have made a joke.

It's ok, everybody gets embarrassed sometimes.

But I don't like the way it makes me feel.

I know, it doesn't feel good. What's another time you felt embarrassed?

One time I didn't brush my hair before school and the other kids laughed at me.

How long did you feel bad about that?

I don't remember.

I bet it wasn't long. Feelings don't last forever.

I guess not.

We're all human, and nobody is perfect.

You're right.

And sometimes when I feel embarrassed about something I did, I remind myself of that.

I'll try that too.

I'm glad you told me how you feel.

Me too.

How do you feel now?

I feel better because I talked to you.

Good! Then let's play kickball!

Okay!

Embarrassed

### Questions for learning:

- ☐ What helped **Embarrassed** to feel better?
- ☐ When have you felt embarrassed?
- ☐ **Confident** reminds herself that nobody is perfect. What can you say to yourself when you feel embarrassed?
- ☐ If you see someone else who's embarrassed, can you talk to them about it?

# Turn on your Heartlight

Excited

Hey, Scared, what's going on?

I'm afraid!

What are you afraid of?

The dark!

I understand, sometimes  
the dark can be scary.

It sure can be!

But, it can also be fun.  
I have an idea!

What is it?

Well, it's dark outside now.  
Let's get flashlights and go  
outside—c'mon!

Ok, but will you hold my hand?

Sure, let's go!

\_\_\_\_ SCARED AND EXCITED GO OUTSIDE. \_\_\_\_

It's so dark out here.  
My heart is beating so fast!

I know, mine too!

Are you afraid too?

No! But our bodies do some  
of the same things when we  
are scared or excited.  
Isn't that neat?

Yeah, I didn't know that.

Ok. Let's sit here.

Scared

## Turn on your Heartlight

Excited

Ok.

Turn your flashlight off.

But it'll be too

You'll be able to see other kinds of light when you turn it off. Trust me!

— SCARED TURNS THE FLASHLIGHT OFF. —

Ready? Look up in the sky at all the stars!

Whoa. They are beautiful!

I know! And look over there in the field. Do you see the lightning bugs flying?

Yes

These are things you can look at when you're afraid.

Thanks, Excited.

And even more fun--when it's dark, you can imagine all sorts of things! What do you imagine in the dark?

What do you imagine in the dark?

I imagine going to the moon and riding roller coasters and climbing mountains!

Those sound terrifying!

Those are things I want to do. What are fun things that you want to do?

I like to go swimming...

Me too! Were you afraid of swimming the first time you tried?

Yes, I was so scared! But my older sister taught me how to swim, so now I'm not scared of it anymore.

See? You can still try new things, even if you are scared.

Yeah, I guess I can.

It's brave to try new things!

You mean I'm brave?

You are brave!!

Thanks for your help, Excited.

You're welcome.

Scared
