

Good morning Holy Love Families

March 2024

We are excited to announce the registration procedures for the 2024-2025 school year. Below you will find details on registration dates, registration process, schedules for each of the classes and orientation days for the upcoming year. If you have any questions, please do not hesitate to reach out. We are working on a scholarship fund for the 2024-2025 school year. More details on these funds will be released in May 2024.

- Registration fees are \$100 for one child and \$175 for a family. All registration fees must be fully paid at time of registration to reserve your child's space in the classroom of your choice. **Registration fees are non-refundable.**
- Registration for current and past families will open on April 1st and 2nd. After the initial two days there will be a registration table next to the front office where you fill out your registration sheet and then bring your registration sheet and fees to the office to secure your child's spot and pick up a registration folder.
- April 1st and 2nd Registration will take place in the Fellowship Hall. Please follow the schedule listed below for the class you are registering for. Once classes fill up students will be placed on a waitlist.
- (Registration form attached) Please have your registration sheet filled out prior to your time slot to help the flow of traffic.
- Please come to registration for the specified times for each classroom. If you are registering more than one child, **please come to the youngest child's class registration.** You may register all your children at that time.

*We would like to open an afternoon Jr. K class if enrollment allows. We will know if this is possible at the end of this school year. Families will be placed on a wait list once the am session fills up and phone calls will be placed to those families over the summer if we have the enrollment and staffing available.

*If you or someone you know is interested in joining our teaching team, please contact the director Stephanie @ 303-693-8519 for more information and next steps. Employees at the preschool will receive discounts on their child's tuition, paid time off including sick days, and the opportunity to influence a child's life in many ways! Employment applications will be available during registration for anyone interested in becoming a teacher and helping to fulfill our mission statement.

Our Mission: At Holy Love Preschool and Kindergarten, we are dedicated to nurturing young minds with a foundation rooted in Christian values. Our mission is to provide a holistic education that not only prepares them for their educational journey but also instills essential life skills grounded in love compassion and faith. Through a supportive and enriching environment, we aim to empower students to embrace their potential, fostering a strong connection to both academic excellence and Christian principles for a lifetime of purposeful living.

***If you are interested in UPK please apply with UPK prior to registration.** We will accept your UPK application once you're registered with us. Tuition for each class and supply fees are listed below for the upcoming school year. All families must pay registration and supply fees. UPK and scholarship funds can not be applied to these fees.

* If you are interested in donating to our 2024-2025 scholarship fund there will be envelopes available at registration to make your donation. You may use cash or check.
