

## **MONTHLY PROPERTY TEAM REPORT**

**Property Team Present:**

**Date: 2022 March/April Updates**

**Meeting Called to Order: No Meeting held**

### **March/April Activities:**

- After a very successful fundraising we were able to have a tree service remove the two very large Cottonwoods on the West side of the building. This went very well. In addition to the removal we saved some money by keeping the wood which we then cut up and then Split all of the wood into usable firewood. We stacked it along Chambers road and as we were stacking it we had people drive in to see what we were going to do with the wood. We started taking free will donations for loads of wood. We then put up some signs about the wood and within a week all of the wood was gone! I heard we may have taken in as much as \$1100 in donations for the wood. So; we saved money on the tree removal by keeping the wood and took in extra money on the donations. Very nice!  
THANKS TO EVERYONE WHO HELPED WORK ON THIS PROJECT!!
- Phase 2:Stump Removal–Those two very large stumps and nine other stumps were removed and ground up around the church property and preschool play area.
- Phase 3: Is the relandscaping of the West side of the building where the cottonwoods were. WE WILL NEED ADDITIONAL FUNDRAISING FOR THIS PROJECT. We will need to remove all of the cement sidewalks and bricks and design the new concrete pour to allow for proper water drainage in that area. There is a real concern in a heavy rain event that water could flow into the west entrance doors. Then we would like to xeriscape the rest of the area. We are getting bids on the concrete work right now.
- Easter Seals- has decided to cancel their request to use our property every fourth Saturday of the month. With that; I have canceled the extra cleaning day with the janitorial service; which saves us the \$150 a month for that night of cleaning.
- Springfest–is scheduled for May 7th where we will do all of our normal; mostly all outside cleanup and some smaller projects to get us ready for the Summer Season. Pass the word. Timing will be approximately 8:30am-Noon.

### **Action Items:**

- Janitorial Service–we had a situation during our Maundy Thursday service where the cleaning crew started cleaning before the service was completed. I have met with our vendor and a representative of the parent company Anago and are determining a course of action.

Respectfully submitted,
