

**Christian Education Team Meeting  
September 6, 2022**

The Christian Education Team met on September 6, 2022 to create the budget needed for the 2023 fiscal year.

Pastor Brittany asked for clarification in determining the qualification for the Scholarship funds. It was decided that some guidelines will be written up in order to define those who qualify for scholarships.

The budget was developed for the following areas:

- Preschool Connections)
- Sunday School
- Confirmation
- High School Youth Group
- Adult Education
- Safe Haven

**Council Action:** The team is wondering about the two Youth Accounts noted in Finance Team reports from July 2022. Why are there two accounts and what is the purpose of each? (Thank you in advance for the explanation!)

Respectfully Submitted,  
Beth Whitney
