**Sunday School-** See Laura's report for more information. Students will be engaged in helping the stewardship committee with their annual stewardship campaign, and supporting the Wholly Kicks Shoe drive this month

**Confirmation:** Continuing with monthly class via zoom. We had two students attend the meeting with Pr. Tyg from Wholly Kicks (as well as a HS student and about 7 other adults). Two 6<sup>th</sup> graders are going to RTLK this weekend with me for the confirmation retreat. Oct. 24<sup>th</sup> we'll do some work for Wholly Kicks to organize and prepare shoes at their storage facility. Our shoe drive will be finished Nov. 1<sup>st</sup>.

**High School-** registrations are open for the RTLK Senior High retreat in November. So far, two kids have interest in attending. Hoping for more, but I understand the low numbers. Also, hoping to have fun with them helping at the Trunk or Treat event at the end of this month.

**Courageous Conversations-** this series, for ages in High School to our eldest adults, has just begun. We'll delve into the issue of racism together for the next four sessions. This is collaboration with All Saints, Lord of the Hills and Holy Love together. If this goes well, we will continue with further topics such as gender/sexuality and immigration issues as examples. If you are interested in more information, please contact Pr. Kari or myself. We'd love to see more HL engagement in this.
