It's ski season again, which is very exciting for me. Most of you know that I enjoy skiing, and as of this writing I've been lucky enough to be able to get up and get on skis a few times already this year.

Skiing is a little different for me this year than it has been in previous years. It's like I'm having to learn how to ski all over again, because I'm not able to physically move in the same way that I used to be able to. I don't say this so that you'll feel sorry for me. In fact, please don't ... I wasn't injured nearly as significantly as I could have been, and I find my current reality to be a challenge that (most of the time) feels life-giving. I get to explore physicality and kinesthetics in a way that most people don't get the opportunity to do. (At the same time, I don't recommend involving yourself in an accident like mine.)

What I've come to recognize is that it's not a bad idea for a person to take an intentional look at their reality every so often. It's a good idea for a person to ask the question, "What needs attention in my life?" It's life-giving to reassess every so often. Doing so gives a person the opportunity to make healthy changes that bring new life.

Congregations, church communities, often benefit from the same thing. Many of you might remember that a number of years ago, Holy Love took a very intentional look at who we are, the things that give us life, and at what we felt called to as a community. My feedback from a number of members of this congregation is that the work we did together was certainly beneficial to our community.

With that in mind, I've talked some with our congregational council president about doing similar work with the incoming council (which isn't elected yet as I write this, but should be by the time you read it). When we have our council retreat, we'll begin the process of wondering together who we are, what gives us life, and what God is calling us to now.

Those answers might echo the answers we came up with six years ago. Or they might be completely different. Regardless, it'll be good and life-giving to take a good look into these questions - who are we gifted by God to be in the world today? and what is God calling us to right now?

I ask your prayers as the council begins to wrestle with these questions. And I ask your cooperation and participation if and when the council invites your participation in whatever process might materialize.

Thank you for allowing me to be your pastor, and for your continued commitment to the Gospel work that Holy Love is called to.

ELCA presiding bishop issues pastoral message on Iran conflict

1/9/2020 12:35:00 P

"Blessed are the peacemakers, for they will be called children of God" (Matthew 5:9).

The current crisis between the United States and Iran is worrisome for many of us in our church, in our nation and in the world. Our country and Iran need urgently to find ways to resolve our differences through a de-escalation of the current crisis, using diplomacy and other peaceful means.

Armed conflict and war are always tragic for those directly involved and often as well for civilians, who also may suffer under punitive sanctions. These situations are evidence of broken relationships.

Our social statement, "[For Peace in God's World](#)," offers guidance:

We of the Evangelical Lutheran Church in America share with the Church of Jesus Christ in all times and places the calling to be peacemakers

The basis of the Church's peace-calling is in God's final peace, the peace of God's eternal reign. That calling is to proclaim the Gospel of God's final peace and to work for earthly peace.

For our part, we have a window of opportunity to stop the current conflict before it worsens. We should appeal now to our elected officials to pursue the path of dialogue and diplomacy with Iran — for our sake, for the sake of the people of Iran and for the sake of the world God so loves.

In peace,
The Rev. Elizabeth A. Eaton
Presiding Bishop

Words to Ponder...

A Beating Heart

Sitting in the pews on Sunday, it's sometimes hard to remember that the church is more than just bricks and mortar, more than just age old hymns and bible readings. It's more than just getting a weekly uplift or sometimes a moral smack down. It wasn't until I took the job of office manager that I fully realized how alive our church is...all the time. Our church is a living, breathing, entity that not only serves its members but also the community.

Did you know that every month, Holy Love hosts everything from Easter Seals and NA to the National Model Railroad Association? Most recently, a non-profit group named Halo Girls Corps of which I'm a member, started meeting here. We are very grateful for the opportunity to see our own mission of helping girls become healthier grow in this environment. In addition, there are choir rehearsals, Holy Knit Wits, Board meetings and more going on almost every evening.

Days are no quieter. The Preschool keeps the west end bustling. On the east end, there are Church Mice and committee members coming through. The organists practice regularly and even guest musicians on occasion preparing for performances with our church will meet here. Those are just the physical ways in which our building is used. On any given day, calls and emails are received for assistance or guidance. Prayers are requested and information shared.

But as busy as the building and the business of our church are, the heart of Holy Love is you. Your attendance at worship. Your participation in events such as the James Hersch night and family game night. Your fellowship with others whether it be in the fellowship hall on Sunday mornings or attending social networking. Your pitching in on clean up day or chaperoning a youth event. As with all living entities, we have to keep our church healthy so that it can continue its mission in both serving our congregation and our community. Coming together keeps our church and ourselves, healthy. In other words, this living breathing entity needs you. You will find that you will get more out of it than you give. And for those of you that already do participate, we appreciate you!

Thank You ~The Holy Love Office Manager

Holy Love Annual Meeting Report

I would like to take this opportunity to thank everyone who attended the Annual meeting for Holy Love on Sunday, January 26th. There were 50 confirmed members in attendance. I appreciate your time, questions, comments, concerns, etc.

The Council is working to make information as transparent as possible. I am hopeful that everyone left with the information needed to make 2020 another year of successful ministries and programming for everyone at Holy Love.

For those of you who were unable to attend, I will try to give you an idea of what was discussed and decisions that were made.

- Pastor Matthew and Beth Whitney gave “Year in Review” summaries for 2019. (See their reports in the Annual Report booklet along with the team reports.)
- There were several comments and concerns shared regarding the Y3 Coordinator position. All Saints Lutheran Church is in the process of calling a new pastor and will be working with an Interim Pastor until that time. Without knowing what the interim pastor will want to do regarding Youth programming, they have opted to wait until they know more when the interim pastor begins in February. Lord of The Hills Lutheran Church has decided to put a “pause” on the position until the end of the first quarter which is March 30th. The decision was made for Holy Love to combine the money from the Y3 Coordinator position with the Faith Formation budget line to give us \$10,000 for Faith Formation until there is more information from All Saints and Lord of The Hills regarding their plans for the Y3 Coordinator position. A congregational meeting would be called, if necessary, to reallocate those funds.
- Brian Last shared a list of 2020 Capital Budgeting and Property Needs. Those needs include, but are not limited to: Replacement of Furnace and A/C unit in the sanctuary; East and West Parking Lot Repairs; Roof Maintenance and Repair; Phase 2 Interior Lighting; Sanctuary and Narthex Interior Painting; Exterior Up-lighting; New Blinds in the Fellowship Hall; and Security Mailbox. These property needs total \$30,500 above the budget.
- Bob Apmann presented the 2020 Budget and Financials. In the approved 2020 budget, member giving is 13% short of the operating expenses.
- The current council members were recognized with special thanks to Melissa Waples and Rich Newman who went off of council at the end of 2019.
- Elections were held for the council members and officers for 2020.

Please be sure to pick up a copy of the Annual Report at church or request a digital copy from Lori in the office.

"BECAUSE OF YOU"

by Roger Collins, Treasurer

In our "Annual Meeting" recently we shared some difficult news with you about the financial challenges we are facing and the plan to strengthen and sustain Holy Love into the future. As many of our church supporters have told us we are proud and are dedicated to continue to make our church grow and sustain our trust in God's work. God's love will see us through the difficult challenges of finances as we have a plan and have trust in YOU and GOD to make our plans successful. In spite of our challenges we are smiling as there is a reason that we pray and know that YOU will see us through the tough realities of financial obligations with optimism, courage and commitment. Our smiles and YOUR smiles will inspire us to preserve our ability to do important work in the future.

We ask for your help and we are deeply grateful for your response. Many members have renewed and some even increased their contributions to Holy Love. This year will continue to begin a yearlong journey to discover the challenges and strengths of how truly YOU and Holy Love can be.

Thanks to your support, we will be able to invest in our strengths with partners, (church family) like you who will have the talent and drive to conduct the programs and strength of our and your trust in God and OUR church. Because of you, we can grow our exceptional plans for educating and sharing our love of Holy Love's ministry with dedication, elegance, enthusiasm, and excitement through time.

Churches are transformed by extraordinary passion and commitment. After over 45 years of Holy Love worship, learning and sharing, it is clear we have what it takes to continue to build our purpose of church. We learn about people and places when we see a challenge ahead. Our smiles go a long way to assure that our congregation is ready for the obstacles of finances and yet your help and positive thinking are priceless in sending this powerful message of our faith.

Extraordinary change rarely happens by ordinary means, and your response to our need for support can be truly extraordinary. WE NEED YOU as YOU ARE IMPORTANT to Holy Love.

We must never forget the offertory response that we often sing during our church services.

"What have we to offer? What have we to share? Coins from the coffer, hearts filled with care. God will not falter, so let us dare lay it at the altar there. What have we to offer? What have we to give? Lives we will live."

Rocky Mountain Synod Youth Gathering

Estes Park

January 18-20, 2020

Twenty-three of our Y3 youth along with 3 caring adults, 2 large capacity vans (**thanks All Saints!**), Pr. Matthew, his “kidult” son, Judah, and about 275 others from around the Rocky Mountain Synod gathered at the YMCA of the Rockies this past weekend to worship, pray, learn, play, and grow in faith together. The theme, **“Be Transformed”** comes from Romans 12:2 *“Do not be conformed to this world, but be transformed by the renewing of your minds so that you may discern what is the will of God-what is good and acceptable and perfect.”*

Our talented and impactful large group session speakers were Bishop Jim Gonia, Vicar Kelsey Brown, Pastor Katie Chullino, and her multi-talented spouse, Chili Chullino. Our weekend also included enriching and deeply moving worship and prayer sessions with music led by members of the RMS Youth Council, Rainbow Trail Lutheran Camp, and Pr. Matthew.

There were two sessions of workshops to choose from to attend, including a deep conversation with Bishop Jim, and an interactive session led by our own Adam Schmuck about ELCA World Hunger. Students also had a wonderful four hour time frame to explore the YMCA of the Rockies grounds and activities like swimming, basketball, ice skating, roller skating or just hanging out playing games.

This gathering was largely planned and executed thanks to your Rocky Mountain Synod Youth Council including Adam and Judah. They are seeking incoming 9th-12th graders that are interested in developing leadership skills, planning the youth gathering, and having voice and vote in our Synod to apply. For more information, talk to Adam or Judah sometime about their experience as well as checking into this webpage: <https://www.rmselca.org/faith-formation/synod-youth-council>.

Students from Holy Love that attended with Y3 are: Alejandro Dominguez, Dawn Willert, Karson and Braxton Longe, Adam and Connor Schmuck. Ask them about their favorite experience! Big thanks to **Vincent Scudella** (HL volunteer) for his awesome

veteran chaperone leadership, **Myrna Blair** (LOTH parent) for coming along and jumping naturally into the role of chaperone, Paige Briski (LOTH parent) for driving a few kids up and back, Justin Jacobs (AS volunteer) for helping send us off from All Saints with gassed-up vans and a place to stage and gather paperwork, Pr. Margot Wright for coming to send us off and pray with us, and to Sheri Peterson (LOTH) who spent many hours reconfiguring our registration and rooming situation with Amy prior to the weekend.

As you can see, with many kids attending together, it takes many adults to make it successful. Our Y3 partnership has strengthened the youth not just by having a larger group to interact together with, but to provide collaboration and community among the caring adults and staff of each congregation too. Sure, taking only six kids to the gathering would be “easier” to manage, and would probably have been easier to transport, plan rooms for, and keep track of. However, the opportunity to develop new friendships, deeper connections, and be more adventurous in our sharing of our ideas, hopes, dreams, and challenges would have been insolated, less complex, and less enriching.

If you haven't sent your MS/HS kid or yourself to the RM Synod Youth Gathering yet, please strongly consider registering next year. It is truly a gift to have been a part of it for the past three years. RMS is very blessed to have leadership that deeply values our youth. They are not “the future of the church”, they are **THE CHURCH NOW**.
Peace!!

–Amy Schmuck

February School News

By Mary Stephenson, Director

The Kindergarten class celebrated 100 Days by making individual posters, fun hats and lots of other fun activities to make this day a super celebration. One of the spaces on their poster had a comment: "I wouldn't want 100_____." A couple comments included 100 siblings or 100 sisters! Made a few of us laugh. All in all, this was a great day for the class to celebrate their 100 days in school.

In between fun and celebration, the Kindies also had weekly homework, lessons of math and language arts. They enjoyed outside time and arts and crafts throughout the month as well. Of course there is always time for free play and snack with the teachers.

Our Jr. Kindergarten children spent the month studying about Ocean and underwater animals and fun. The students did an "Underwater Discovery" presentation at the end of the month. The parents were invited to watch and listen. This is a good opportunity for the children to learn to speak in front of an audience as they will have many other opportunities to do this in the future years. They also have been learning simple sight words.

Our Pre-K/Pre-STEAM class have been working on a new letter each week as well as practicing numbers. They did several experiments with ice and water and learning about the science behind the melting of ice. They made polar bears out of cotton balls and paper plates, igloos and talked about winter animals and their habitats. The class is always busy!

Can you believe we are about to enter month #2 of 2020. How time flies when we are busy at school!

January 6th-7th found us welcoming several new students to our classes. We were so happy to have many families join with us from Lord of the Hills Preschool and others new to the area. We were able to help all these new families transition into a new program and help make their child feel welcome, happy and safe. Thank you families for trusting us as strangers to help your child learn and grow.

We hosted a New Family Information Night following our staff meeting on January 8th. We had a small response but those families that came had the opportunity to talk with the different teachers about the respective classes of interest. We are considering possibly hosting another one in the next few months.

The Kindergarten

MISSION BELL

The M-W-F Pre-K class celebrated Western Day. The children were all decked out in their finest western attire, enjoyed a snack of biscuits, beans and franks, and juice. They also celebrated color day which for this month was WHITE. The children also learned a new letter and worked on numbers.

Preschool children also celebrated Western Days and WHITE day. The little ones gathered around a “camp fire” (not real) to hear stories and learn about western days of life on the plains. The children came dressed in their special attire and everyone had a great time. They enjoyed a snack of biscuits, beans, and juice. White day found them enjoying a snack of marshmallows and pretzels, making their own creations.

The month found the Preschool/Pre-K staff busy with assessing each child in preparation for upcoming Parent/Teacher conferences. We are very happy to have several parent volunteers help in the classrooms and watch the children while the Teachers did the assessing. Thank you for your help.

Registration time is here for the next school year—2020-2021. Oh my, can you believe it as seems we just started this school year! Church members will have two Sunday’s to register—1/26 and 2/2 in the Narthex. Current enrolled and former families may begin 2/5 for Jr. K and Kindergarten and 2/6 for Preschool and Pre-K. Community Registration will take place Saturday, February 8th from 8:00-8:45 a.m. in the Fellowship Hall. Be sure to register early to get your first choice! We are looking forward to another full, fun year ahead here at Holy Love Preschool and Kindergarten.

God has blessed us with nice days for the children to enjoy being outside. Although our playground faces north and snow tends to build up, the children have been outside able to run and get rid of pent up energy! God is good in our lives...He is there when we need Him and always watching over us. Remember to share God’s gifts with your child.

FEBRUARY BLESSINGS TO ALL!
