

MONTHLY PROPERTY TEAM REPORT

Property Team Present:

Date: 2021 October/November-----No Meeting held

Meeting Called to Order:

October/November Activities:

- We have ordered the new furnace and A/C units to replace the problematic units for the Sanctuary. Tobin is still waiting on one of the components and will contact us when they have everything needed to schedule the install.
- Fallfest was held on October 16th to clean up the outside of the church grounds. Unfortunately; most of the leaves had not dropped yet and as you probably have noticed; They Have Now and we are continually working in small groups to get them picked up before the snow comes.
- We have had a rotten kind of smell coming out of one of the dishwashers in the kitchen. Gayle, Donita and myself have put in a bunch of time on that machine to eliminate the odor. It seems to be gone at this point, but we have asked the preschool staff to take a more active roll in regular cleaning maintenance on both machines to help with that. For now all seems resolved.
- We still have plans to get a group together to cut down a few of the dead trees we have around the property.

Action Items:

- Discuss the bids for cutting down the two large cottonwood trees on the West side of the church.
- Finalize the extra cleaning day for the fourth Sunday of every month due to the Easter Seals event.

Fellowship dates for Property are:

Respectfully submitted,
Brian Last
