

September 2021 Pastor's Report

- Channel 9 Health Fair—**do we want to do it?** April 29th, tentative date
- Helped a mom with rent with funds from the Outreach
- AM Bible Study started 9/16 on Daniel; PM Bible Study via Zoom will likely start in late October/early November
- Pulpit Swap with my husband Matt on November 7—**ok with Council?** He'd preside, preach and lead service; I'll be presiding, preaching, and leading service at his congregation, Our Saviour's Lakewood.
 - o If ok with Council, I'll check with Bishop Gonia to be sure he can preside at Communion. Matt should be able to because he's ordained in a denomination the ELCA has Full Communion with, the Reformed Church in America (RCA)
- Off Monday and Tuesday August 30-31; took off Sunday, Sept. 5
 - o FYI: Matt and I will "take turns" when Lincoln is sick on Sundays for who is set to stay home. We already have grandparents scheduled for Christmas as back-up, and will do the same for Easter.
- Amy and I are going to the Synod's Fall Theological Conference in Wyoming 9/21-24
 - o Lori will check voicemail and email 2x while we're out
 - o 9/16 update: I may not be able to go—Matt's grandpa passed away 9/15 and funeral arrangements are still being worked out
- I'm out of town 10/11-10/18; Amy will be preaching; Pastor Chelsea from All Saints Aurora will be providing pastoral coverage

New Building Usage Requests:

- a) Saturdays, repeating: New NA group, "Narcotics Anonymous The Basic Study Group" wants to meet in our building from 5:15-7:15 each week (meeting from 5:30-7pm). It is technically a new group, although they are still under the other NA group's COI. They have submitted new paperwork.
- b) November 13: Colorado Music Quest Academy of Music wants to have a concert here. They've already sent paperwork in and will pay \$50. One-time use; no need for a key. Awaiting Council's decision.
