

DIY Advent Wreath

Listed below are a couple of options for your Advent Wreath. You may choose which ever one you like or combine elements from both. You may also come up with your own option.

Suggested Supply List

Painted Votive Advent Wreath

- 4 clear or frosted votive candle holders
- Votive or tealight candles
- Blue, red, white acrylic craft paint or all purpose paint to mix to make purple, and pink.
- Paint Brush
- Fake or Real greenery Find or buy a circle shaped tray that can complement the size of the wreath or craft a wreath.
- Ribbon in advent color scheme

Easy Advent Wreath

- 1 floral foam ring
- Fake or real greenery (an evergreen garland is an easy alternative.)
- Decorations of your choice
- A tray that is slightly larger than your wreath. It can be of any shape that you think looks good.
- Pillar candles, tapers or votives or any combination that you like. If using tapers you will need candle holders that will fit inside of your wreath. Typically 3 blue or purple candles, and 1 pink candle are used. A white Christ candle may also be used.
