

## **HLLC Property Committee Report**

September 2025

**Parking Lot Project** – Our parking lot project was completed over a 3-day period – Thursday 9/4 through Saturday 9/6. Two additional handicapped parking spots were added on the east side lot.

**Property Committee Meeting** – We held our monthly property committee meeting on Sunday 9/7. Gayle Rullo, Steve Knuth, Brian Last, and Ed Truett attended.

**Annual Fire Alarm Test** – Colorado Elite Security conducted our annual fire alarm testing on Wednesday 9/10. They also performed the annual service on our fire extinguishers. Three new fire extinguishers were purchased to replace older extinguishers that would have required expensive hydrotesting procedures. The Aurora Fire Department conducted their annual fire inspection on 9/10, and we had several violations that need to be corrected within the next 30 days.

**Fall Fest** - Scheduled for October 25<sup>th</sup>.
