With that in mind, we will offer the following training sessions -

**AT THE RANGE.**
- Saturday, February 7, Ft. Worth (yes — it will be cold). **AT THE RANGE.**

*You will receive an email reminder with all the details for these training sessions.*

## ***WELCOME TO THE CONFERENCE***

We are truly thrilled and honored that you have chosen to be here today. *Our attendees have traveled from at least ten different states.* It is deeply encouraging to see so many who are genuinely committed to protecting others from acts of **violence**.

Our hope is that the information you receive today will equip you to return to your congregations and help create the safest environment possible whenever your community gathers to worship.

A SPECIAL THANKS TO PATHWAY CHURCH FOR  
ALLOWING US TO MEET HERE.

**KEITH GRAVES** has been an invaluable resource to houses of worship nationwide. Thousands subscribe to his email updates, and more than 200,000 people follow his work on YouTube. Few have contributed as much to the safety and support of faith communities as Keith, and we are truly grateful to have him with us today.

Keith is a 29-year police veteran and a 20-year member of a SWAT team, bringing extensive experience in narcotics investigations, training, and leadership.

Driven by his passion for protecting communities, Keith founded *Christian Warrior Training*, an organization dedicated to equipping churches with the knowledge and tools needed to create safe and secure environments for their congregations.

Keith's website is [christianwarriortraining.com](http://christianwarriortraining.com).

**JIMMY MEEKS** has been serving houses of worship since May 2009. He has conducted more than 500 church safety seminars in 40 states.

Jimmy served 35 years as a police officer and is also an ordained minister, having delivered his first sermon in October 1973.

He worked as a production assistant on the award-winning film *Faith Under Fire*, which tells the story of the tragic 1980 massacre at a church in Daingerfield, Texas — the

same church where Jimmy and his wife were married. On June 22, 1980, an armed attacker entered the church during a Sunday morning service, shooting 15 worshippers and fatally wounding five.

**To schedule Jimmy for training at your church, call 817-437-9693.**

Jimmy's program is a four-hour presentation that he has delivered more than 500 times nationwide. It covers essential topics on protecting your congregation and includes a dedicated segment on *preventing sex-related crimes*.

The training is usually offered on Saturday mornings, but evening sessions can also be arranged. **Topics include:** *Verbal De-escalation - Where to Station your Team - Who (and who not) to put on your team - and much more.*

If you have a Saturday morning seminar, Jimmy can conduct a *Women's Safety Presentation* the night before.

**Join Keith, Jimmy, and Lt. Colonel Dave Grossman *next July* in Colorado Springs, Colorado for the *Bulletproof House of Worship Safety Conference*.**
