Engineer Women's Club

October 2018

## President's Message

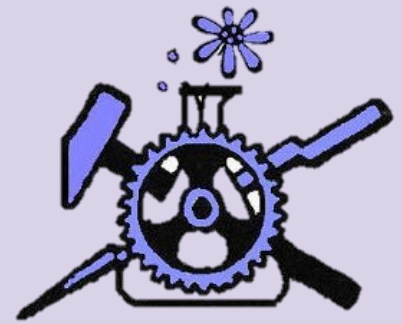

Hello Ladies,

It was so nice to see you all at the Welcome Back Reception! Thank you to Kerry J for jumping in at the last minute to provide her lovely home and to Donna B for organizing another fabulous event, her talent has no bounds. Thank you to Mary L for being on hand to greet everyone and present them with our membership directory. If you didn't have an opportunity to receive yours, Mary will have them available at the Fashion Show. The remaining directories will be mailed after the event.

As we announced at the meeting, our focus has shifted towards fundraising this year. The prospect of building a Legacy Fund at Florida Polytechnic University is very exciting but it will take all of us working together to achieve this goal. It's so rewarding to know that EWC<sup>2</sup> will live beyond us assisting young engineers to set their dreams in motion.

Our first opportunity to raise funds will be at our annual Fashion Show. I'd like to challenge you all to invite a friend or several friends, from outside the club, to enjoy the show. Each ticket sold will provide \$5 for the Legacy Fund. If we can raise our attendance to 100, that's \$500 towards the Fund. Additionally we will again be hosting a Silent Auction. Monica H has already collected an impressive bounty of gift certificates and other lovely items. If you have items to would like to put together a basket, inspire us with your art work or have other items to donate, please contact Monica. Last year we were able to contribute almost \$800 to the Legacy Fund, let's beat that record this year!

### It's Shopping Time!

Well - Auction time really at our Engineered to Impress Fashion Show just around the corner. So when you are out having your nails done, eating dinner, shopping at your favorite store - ask them for a donation! Something really neat that you don't have room for any more? This is your chance to share it with someone who will love it, too. Are you a budding artist? We'd love to have one of your works of art to sell. Professional shopper - well you have LOTS to contribute. Crafty? Some of our best sellers are gift baskets. Vacation home? Now that is the best. Be creative and help us raise money for Florida Polytechnic. Our funds for the Auction go directly to the University. Questions? Call Monica H.

### Dee H is still looking for a few good models!

Make your Fashion Show experience even more exciting by being a part of the show! If you're interested in wearing some lovely fashions and strutting your stuff on the stage, please call Dee to volunteer!

Please update your yearbook to correct the email for Nancy Ellington as follows:

[campanon@gmail.com](mailto:campanon@gmail.com)

The Yearbook Directory will be distributed during the Annual Fashion Show. Those not picked up will be held ransom...I mean... mailed to you as soon as possible.

We will be donating to Toys for Tots this year. Please bring your donations to the Holiday Party where we will have a collection box. We will have donation details next newsletter in case you can't make it to the party.

The Scholarship Committee is busy reviewing applications for our scholarship. The winner should be selected shortly and announced during the Fashion Show. This year's award will be slightly under \$1,000.
