President's Message

Hello Ladies,

I can't believe the club year is almost over. We only have two General Meetings left for the year. I can't believe how fast the year has flown by. Our first meeting will be the Wine & Cheese General Meeting on March 19th where we will be electing our new slate of Officers for next year. As usual, there will no cost to attend the meeting but we do ask that you bring either a dish to share or your favorite beverage. May 21st we will be meeting at Tapatio's to celebrate the Installation Dinner General Meeting. This will be a "pay your own" meal event and we will have full access to the menu, not to mention unlimited chips and salsa!

As we begin to plan for next year, we will be reaching out for you to share your talents with us! We still need several volunteers for various positions and more opportunities will become available as the planning continues. There are always many ways to stay involved and be part of the team.

In June will be again be making a push for new members at the annual AIChE Conference in Clearwater. If you are planning on attending the event and would like to help with our breakfast and recruitment please contact Charlotte D.

Lastly, we are always looking for suggestions on how to improve the club so that it serves the members and our mission goals. Please make your voice heard by reaching out to the Board. We are available via phone, email or always up for a face to face meeting.
