President's Message

Hello Ladies,

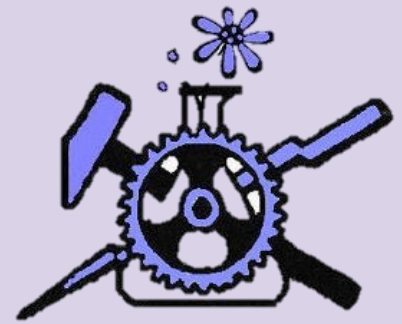

It's time to wrap up another great year at EWC²! We had some great events this year and made outstanding progress towards our Legacy Scholarship Fund goals, adding another almost \$2,000 to last year's sum of over \$5,000. I'm hoping that this sum continues to increase in the upcoming years.

I'd like to thank our Officers and Chairpersons for always going above and beyond in their service to the club. I know we have all had personal challenges in our life this year and it speaks volumes that even through those challenges, we were all able to carve out time to keep our passion for this club alive. I'd also like to thank those volunteers that consistently stepped up to the plate when we needed someone in a pinch. Thank you for having our backs and helping to alleviate the stress at the last minute, teamwork at it's best!

I wish the new Officers and Chairpersons all the best in the new club year. They are already busy planning and getting things in order. If you would like to participate with an event, please contact Mary L, volunteers are always needed.

During our final General Meeting of this year, we will be unveiling the new logo for the club as well as installing the new Officers. I hope to see you all there!

Betty
