THIRD AMENDMENT

THIRD AMENDMENT TO AMENDED AND RESTATED DECLARATION FOR THE BOUNDARY

This Third Amendment to Amended and Restated Declaration for the Boundary Townhomes ("Third Amendment") shall be effective upon recording.

RECITALS

- A. On May 13, 1999, the Declaration for the Boundary Townhomes was recorded at reception No. 545483, in the Office of the Clerk and Recorder for Garfield County, State of Colorado, as amended by the Amended and Restated Declaration for the Boundary, recorded on July 13, 2001, at reception No. 584311, the First Amendment to Amended and Restated Declaration for the Boundary, recorded on September 26, 2001 at reception No. 589040, and The Second Amendment to Amended and Restated Declaration for the Boundary, recorded on April 1, 2022, at reception No. 972961 (collectively, the "Declaration").
- B. Pursuant to Section 3.9, of the Declaration, "Residential Use; Parking. Each Townhome and Condominium Unit shall be improved, occupied, and used only for single-family residential purposes. No business, professional or other non-residential or commercial use shall be made of any Townhome or Condominium Unit, or conducted in any Townhome or Condominium Unit, excepting in-home businesses or occupations which do not involve employees other than Owners, the solicitation or invitation of the general public, or the servicing of customers, and which activities are conducted entirely within the Townhome or Condominium Unit and do not cause any additional traffic or parking within the Boundary Community or otherwise create a nuisance for neighboring Townhomes or Condominium Units or the Boundary Community. In two-bedroom Townhomes or Condominium Units with one-car garages, the garages must in fact be used for the parking of a motor vehicle, and only the leftover space (if any) may be used for storage."
- F. The Boundary Association ("Association") has some concerns that Section 3.9 may be deficient and desires to correct those deficiencies through this Third Amendment.
- G. Pursuant to Section 13.3 of the Declaration and C.R.S. § 38-33.3-217, an amendment to the Declaration requires the vote or agreement of Owners holding at least 67% of the votes in the Association.
- J. All Owners are aware of the provisions of the Declaration allowing for amendment, by virtue of the record notice of the Declaration, by acts and disclosures, newsletters or notices of the Association, and by other means.
- K. The amendments within this Third Amendment have been prepared and determined by the Association and the Owners that have approved this Third Amendment to be reasonable and not burdensome.

L. Pursuant to Section 13.3 of the Amended Declaration and C.R.S. § 38-33.3-217, at least 67% of the Owners have approved this Third Amendment.

NOW, THEREFORE, the Amended Declaration is replaced and amended as follows:

Section 3.9 of the Amended Declaration shall be amended in its entirety to read as follows:

Residential Use; Parking. Each Townhome and Condominium Unit shall be improved, occupied, and used only for single-family residential purposes. No business, professional or other non-residential or commercial use shall be made of any Townhome or Condominium Unit, or conducted in any Townhome or Condominium Unit, excepting in-home businesses or occupations which do not involve employees other than Owners, the solicitation or invitation of the general public, or the servicing of customers, and which activities are conducted entirely within the Townhome or Condominium Unit and do not cause any additional traffic or parking within the Boundary Community or otherwise create a nuisance for neighboring Townhomes or Condominium Units or the Boundary Community. The Board of Directors may adopt, amend, repeal, and enforce such Rules and Regulations as the Board of Directors may consider necessary, desirable, or appropriate from time to time with respect to parking within the Boundary Community, including, without limitation, parking motor vehicles, bicycles, or similar devices within the Common Areas, the garages of a Townhome or Unit, and in the driveways of a Townhome or Unit.

IN WITNESS WHEREOF, the undersigned, being the president and the Secretary of The Boundary Association, hereby certify that pursuant to Section 13.3 of the Declaration and the Colorado Common Interest Ownership Act, C.R.S. §38-33.3-217, at least 67% of the Owners have approved this Declaration.

MOTOR VEHICLE PARKING RULES & REGULATIONS

THE BOUNDARY ASSOCIATION RULES AND REGULATIONS Motor Vehicle Parking

Capitalized terms and phrases herein have the meaning ascribed to them in the Declaration.

Motor vehicles may not be parked in the Boundary Community in such a way that impedes Boundary Lane, Common Areas, or the driveways of any Townhome or Condominium Unit.

Owners should park their motor vehicles inside the designated garage for their Townhome or Condominium Unit. If a Townhome or Condominium Unit has a one-car garage, the Owner's motor vehicle should be parked in the garage; if a Townhome or Condominium Unit has a two-motor-vehicle garage, the Owner's motor vehicles should be parked in the garage. Any remaining space within a garage after the Owner's motor vehicles are parked may be used for storage.

If an Owner of a Townhome or Condominium Unit with a one-car garage has fully utilized their garage for parking, the Owner or Occupant may park one additional motor vehicle in the designated driveway of the Townhome or Condominium Unit. If an Owner of a Townhome or Condominium Unit with a two-car garage has fully utilized their garage for parking, the Owner or Occupant may park two additional motor vehicles in the designated driveway of the Townhome or Condominium Unit. A Townhome and Condominium Unit's driveway is to be used solely for any overflow or guest parking if its garage is at capacity. No long-term storage of motor vehicles or any other "Oversized Vehicles" (e.g., boats, trailers, campers, motor homes, all-terrain vehicles, or similar vehicles within the sole discretion of the Board) will be allowed to be parked in driveways.

Short-term guest parking is available in designated areas throughout the community, as indicated on the map attached hereto as Exhibit A ("Auxiliary Parking"). If the parking for a Townhome or Condominium Unit is fully utilized as stated above, an Owner or Occupant of a Townhome or Condominium Unit must park in the Auxiliary Parking. The parking of a guest or invitee is limited to a maximum of 72 hours anywhere in the Boundary Community. Oversized Vehicles are not allowed to be parked in the Boundary Community. If an Oversized Vehicle is required for contractors, maintenance, or other obligations of a Townhome or Condominium Unit, the Owner must receive advance approval from the Association in writing.

It is the Owner's responsibility to make arrangements with the Association for any Occupant parking overflow that cannot be accommodated through the Owner's garages and driveways. A guest parking pass must be obtained from the Association if an Occupant's parking exceeds 72 hours. Occupant parking requested for use in the Boundary Auxiliary Parking areas may not exceed two weeks.

Owners are responsible for clearing any driveway or Common Area that the Association cannot snowplow due to motor vehicles parked in a driveway or on any portion of Boundary Lane.

Owners are responsible for ensuring that any long-term rental tenants or their Occupants are properly advised in advance of the foregoing rules and, in the event of a violation by an Occupant, the Owner is responsible. The Owner must require that Occupants comply with the foregoing requirements by

including the requirements in any rental agreements for a Townhome or Condominium Unit. A violation of the foregoing Rules and Regulations will be subject to the Association's Enforcement Policy, including, without limitation, the fine schedule included therein.

The foregoing rules were adopted by the Board at a duly noticed meeting of the Board held on $\dot{}$
