Required Submittal Items

- Site plan showing locations for proposed work.
- Manufacturers specifications including color pictures and dimensions. Samples may be required.
- Pictures of existing conditions.
- Expected start date ____/____/____ completion date ____/____/____

I accept and acknowledge that all guidelines of The Boundary Association and the RVR Master Association must be followed and may require additional submittal information before approval is granted. At the discretion of the RVRMA General Manager or Community Service Manager this application may be referred to the Design Review Committee for review and final approval. I acknowledge that I am responsible for the maintenance of any exterior improvement added and that the board may opt to require that certain items be removed upon transfer of ownership in which case it would need to be returned to its original state or the new owner would be required to submit a new request for approval.
